## DEAR HONEST STOCKHOLDERS,

As I reflect on this past year, I am humbled by the creativity and resilience the Honest team showed in the face of unprecedented headwinds - both in our industry and the world at large. The complex and uncertain environment challenged leaders and teams to adapt and to innovate. And through it all, our values-driven purpose has never wavered and remains firmly at the center of everything we do.

When I started The Honest Company 11 years ago, I wanted Honest to be a disruptor and lead the charge for consumer-centric, ethics-driven businesses. I wanted consumers to have access to safe, effective products while never compromising on efficacy or aesthetics. I am proud to say that we have proven this concept at scale, cultivating a brand that is truly consumer-first and a leader in the clean lifestyle movement. More than ever, the business world has come to terms with how important it is to think through the lens of the consumer and the impact their choices have on the planet.

Guided by this very clear vision and mission, we are at an inflection point in Honest's evolution, assessing nearly every element of the business to ensure we emerge stronger for our customers, shareholders, employees, and retail partners. We believe that our 2022 financial results do not reflect the strength of this brand nor our ambitions. As we enter our next year as a public company, we are laser-focused on addressing our business challenges head-on and putting Honest back on a path to profitability, while delivering high-quality products people love and trust.

And since every big inflection point needs a changemaker, I am energized to embark on this next chapter under the leadership of our new CEO, Carla Vernón. Within her first 90 days as our CEO, Carla has already demonstrated her strength as a strategic, visionary leader who has the discipline, rigor, instinct, and charisma to transform Honest into the legacy brand for tomorrow's generation. I am also proud to say she has made history as the first ever Afro-Latina CEO of a U.S. publicly traded company.

On behalf of our Board of Directors and our Honest team members, I appreciate your ongoing support and look forward to the year ahead.

Very truly yours,

# DEAR HONEST STOCKHOLDERS,

I welcome the opportunity to join James D. White, our Board Chairperson, in sharing our perspective on the performance and road ahead for The Honest Company at the close of 2022, our second year as a publicly traded company. Since Honest launched 11 years ago, it has disrupted and modernized many categories by bringing a new standard of purpose-driven product design to categories including baby, beauty, personal care, household care and wellness.

And as a company built in the Gen Z era, we are poised to be relevant, relatable and available to a broad cross-section of consumers. We believe the Honest brand continues to resonate during a year of macroeconomic headwinds. Despite continued cost inflation, increased economic pressure on consumers, and tighter inventory management by retailers, Honest expanded its retail footprint, and increased distribution and consumption growth. In many instances, Honest products were key growth drivers in our retail categories as our growth rates outpaced our categories' growth rates. While many factors point to the strength of the Honest brand, our 2022 financial results were disappointing. We do not believe that these results reflect the strength and potential of the Honest brand. In 2023, we will have an unrelenting focus on delivering results that position Honest for sustainable, profitable growth.

Making great quality products that are designed with clean and purpose driven standards is the heartbeat of Honest. And, when we speak to our customers and employees about what attracts them to Honest, time and time again the answer is grounded in the values woven into the company and into our products. We believe this combination of quality and mission sets Honest apart in our ability to lead the growth of our categories and drive the innovation so valued by our customers. We believe firmly that the demonstrated values of the Honest team, the quality of Honest products, and the power of the Honest brand to connect with consumers set Honest up to be a stronger, more profitable company.

## 2022 HIGHLIGHTS

- We grew consumption and market share by 12% in total across Honest diapers, wipes, and skin and personal care in a highly competitive and rapidly evolving market.
- We executed our omnichannel distribution strategy and expanded to over 50,000 retail locations in 2022, which includes 2,500 new Walmart locations and presence in all Publix stores as we expanded our geographic footprint in the U.S. Southeast. We also increased our ACV by 23 points from 49% to 72% in national multi-outlet stores.
- We delivered meaningful leadership across a broad set of retailers resulting in our 20th consecutive quarters of growth at Target, our position as the top selling clean and natural mascara on Amazon.com, and our emergence as the leading natural/lifestyle diaper brand at Kroger.
- We continued our commitment to ESG and Social Responsibility by releasing an ESG report to share how our work aligns with the framework metrics of the Sustainability Accounting Standards Board and the Task Force on Climate-Related Financial Disclosures. In addition, as of December 31, 2022, people of color represented nearly half of our Honest team, women represented more than 65% of our workforce and 60% of leadership at the associate director level and above. Our commitment to diversity and inclusion extends to our Board of Directors with women comprising 50% of our Board and 60% of our Board identifying as people of color.

## 2023 STRATEGIC FOCUS

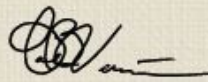

We plan to address our business challenges head-on in 2023 and put Honest on a path to profitability. To do this, we intend to improve our margin structure through a series of actions including cost savings initiatives, aligning the quality of our products and our premium positioning to our pricing strategy, and managing our product and category choices.

Our focus is clear and we are grateful to our founder and Chief Creative Officer, Jessica Alba, our Board of Directors, and the entire Honest team for their dedication to and conviction in the Honest brand. We appreciate our stockholders' confidence and investment in the Honest team. As we build a strong future for Honest, we are confident that our product quality, strength of purpose and improved business fundamentals, provide us the foundation to build shareholder value and drive the Honest values of our stakeholders.

Sincerely,

Chairman of the Board of Directors

### **Why did I receive a notice regarding the availability of proxy materials on the internet?**

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the "Notice") because the Board of Directors (the "Board") of The Honest Company, Inc. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about April 13, 2023 to all stockholders of record entitled to vote at the Annual Meeting.

### **Who can vote at the Annual Meeting?**

Only stockholders of record at the close of business on March 27, 2023 will be entitled to vote at the Annual Meeting. On the record date, there were 93,345,305 shares of common stock outstanding and entitled to vote.

### **What am I voting on?**

There are two matters scheduled for a vote:

- Election of two directors as listed herein (Proposal 1); and
- Ratification of selection by the Audit Committee of the Board of PricewaterhouseCoopers LLP as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2023 (Proposal 2).

### **What if another matter is properly brought before the meeting?**

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

### **How do I vote?**

You may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. For each of the other matters to be voted on, you may vote "For" or "Against" or abstain from voting.

The procedures for voting depend on whether your shares are registered in your name or are held by a bank, broker or nominee:

#### *Stockholder of Record: Shares Registered in Your Name*

If on March 27, 2023, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. If you are a stockholder of record, you may vote at the Annual Meeting, or you may vote by proxy over the telephone, through the internet or by using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote at the meeting even if you have already voted by proxy.

- To vote *during* the Annual Meeting, if you are a stockholder of record as of the record date, follow the instructions at [www.virtualshareholdermeeting.com/HNST2023](http://www.virtualshareholdermeeting.com/HNST2023). You will need to enter the 16-digit Control Number found on your Notice, or proxy card if one was mailed to you or in the email sending you the Proxy Statement.
- To vote *prior* to the Annual Meeting (until 11:59 p.m. Eastern Time on May 23, 2023), you may vote via the Internet at [www.proxyvote.com](http://www.proxyvote.com); by telephone; or by completing and returning their proxy card if one was mailed to you, as described below.

- To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and Control Number from the Notice. Your telephone vote must be received by 11:59 p.m., Eastern Time on May 23, 2023 to be counted.
- To vote through the internet prior to the meeting, go to [www.proxyvote.com](http://www.proxyvote.com) and follow the instructions to submit your vote on an electronic proxy card. You will be asked to provide the company number and Control Number from the Notice. Your internet vote must be received by 11:59 p.m. Eastern Time on May 23, 2023 to be counted.

*Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If on March 27, 2023, your shares were held, not in your name, but rather in an account at a brokerage firm bank or other similar organization, then you are a beneficial owner of shares held in “street name” and you should have received a Notice containing voting instructions from that organization rather than from Honest. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account.

Follow the instructions from your broker, bank or other agent regarding how to vote the shares in your account.

**Internet proxy voting will be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.**

**How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 27, 2023.

**If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?**

If you are a stockholder of record and do not vote by completing your proxy card if one was mailed to you, by telephone, through the internet or online at the Annual Meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of the two nominees for director and “For” the ratification of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2023. If any other matter is properly presented at the meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

**If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?**

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion. In this regard, under stock exchange rules, brokers, banks and other securities intermediaries may use their discretion to vote your “uninstructed” shares with respect to matters considered to be “routine” under such rules, but not with respect to “non-routine” matters. Proposal 1 is considered to be “non-routine” under such rules, meaning that your broker may not vote your shares on this proposal in the absence of your voting instructions. However, Proposal 2 is considered to be a “routine” matter under such rules, meaning that if you do not return voting instructions to your broker by its deadline, your shares may be voted by your broker in its discretion on Proposal 2.

***If you are a beneficial owner of shares held in street name, and you do not plan to attend the meeting, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.***

#### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

#### **What does it mean if I receive more than one Notice?**

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

#### **Can I change my vote after submitting my proxy?**

##### *Stockholder of Record: Shares Registered in Your Name*

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to Honest's Secretary at 12130 Millennium Drive, #500, Los Angeles, CA 90094
- You may attend the Annual Meeting and vote online. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

##### *Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

#### **When are stockholder proposals and director nominations due for next year's Annual Meeting?**

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 15, 2023, to The Honest Company, Inc., Attn: Secretary, 12130 Millennium Drive, #500, Los Angeles, CA 90094 and comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended ("Rule 14a-8").

With respect to proposals (including director nominations) not to be included in next year's proxy materials pursuant to Rule 14a-8, including nominations subject to Rule 14a-19, our amended and restated bylaws provide that your proposal must be submitted in writing between January 25, 2024 and February 24, 2024 to The Honest Company, Inc., Attn: Secretary, 12130 Millennium Drive, #500, Los Angeles, CA 90094 and comply with the requirements in our amended and restated bylaws, provided, however, that if our 2024 Annual Meeting of Stockholders is held before April 24, 2024 or after June 23, 2024, then the proposal must be received by us no earlier than 120 days prior to such Annual Meeting and no later than the later of (i) 90 days prior to the date of such meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made by us.

#### **How are votes counted?**

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes "For," "Withhold" and broker non-votes; and for the proposal to ratify the Audit Committee's selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm, votes

“For” and “Against,” abstentions and, if applicable, broker non-votes. Abstentions are not applicable with respect to Proposal 1 and will not affect the vote for Proposal 2. Withhold votes will not affect the vote for Proposal 1. Broker non-votes on Proposal 1 will have no effect and will not be counted towards the vote total for that proposal. As discussed below, we do not expect broker non-votes on Proposal 2.

#### **What are “broker non-votes”?**

A “broker non-vote” occurs when your broker submits a proxy for the meeting with respect to “routine” matters but does not vote on “non-routine” matters because you did not provide voting instructions on these matters. These un-voted shares with respect to the “non-routine” matters are counted as “broker non-votes.” Proposal 1 is considered to be “non-routine” under stock exchange rules and we therefore expect broker non-votes to exist in connection with this proposal. However, because Proposal 2 is considered “routine” under such rules, we do not expect broker non-votes on this proposal because if you hold your shares in street name and do not provide voting instructions to your broker, bank or other agent that holds your shares, your broker, bank, or other agent has discretionary authority to vote your shares on Proposal 2.

*As a reminder, if you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.*

#### **How many votes are needed to approve each proposal?**

For the election of directors, the three nominees receiving the most “For” votes from the holders of shares present or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” will affect the outcome. There is no cumulative voting.

To be approved, Proposal No. 2, ratification of the selection of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for fiscal year ending December 31, 2023, must receive “For” votes from the holders of a majority of the voting power of the shares present virtually or represented by proxy and voting affirmatively or negatively (excluding abstentions and broker non-votes) on the matter. If you “Abstain” from voting, it will have no effect on the vote for Proposal No. 2.

#### **What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the voting power of the outstanding shares of stock entitled to vote are present at the meeting virtually or represented by proxy. On the record date, there were 93,345,305 shares outstanding and entitled to vote. Thus, the holders of 46,672,653 shares must be present virtually or represented by proxy at the meeting to have a quorum.

Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting or represented by proxy may adjourn the meeting to another date.

#### **How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

**Proposal 1**  
**Election Of Directors**

**Classified Board**

Our Board is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board presently has ten members. There are three directors in the class whose term of office expires in 2023. Nikolaos Vlahos has not been nominated for election and his term will expire at the Annual Meeting. Accordingly, the Board has taken action to decrease the number of authorized directors to nine, effective upon the Annual Meeting. The Nominating and Corporate Governance Committee has recommended each of Avik Pramanik and Jessica Alba for election as a Class II Director at the Annual Meeting. We refer to Jessica Warren, our founder, Chief Creative Officer and member of our board of directors, as Jessica Alba in this Proxy Statement. Mr. Pramanik and Ms. Alba are each currently a director of the Company and were previously elected by our stockholders prior to our initial public offering pursuant to the provisions of a voting agreement between us and several of our stockholders. If elected at the Annual Meeting, each of these nominees would serve until the 2026 Annual Meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is the Company's policy to invite and encourage directors and nominees for director to attend the Annual Meeting. All of our directors attended our 2022 annual meeting of stockholders.

Directors are elected by a plurality of the votes of the holders of shares present virtually or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by Honest. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

The following is a brief biography of each nominee and each director whose term will continue after the Annual Meeting.

## INFORMATION REGARDING THE BOARD AND CORPORATE GOVERNANCE

### Independence of The Board

As required under the Nasdaq Stock Market (“Nasdaq”) listing standards, a majority of the members of a listed company’s Board must qualify as “independent,” as affirmatively determined by the Board. Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning her or his background, employment and affiliations, our Board has determined that none of our current directors, other than Carla Vernón, Nikolaos Vlahos and Jessica Alba, has any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the Nasdaq listing standards. In making these determinations, our Board considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our shares by each non-employee director and the transactions described in the section titled “Transactions with Related Persons and Indemnification.”

### Board Leadership Structure

Our Board has an independent chair, Mr. White, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Board Chair has substantial ability to shape the work of the Board. The Company believes that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of management’s performance, increasing management accountability and improving the ability of the Board to monitor and assess the Company’s risk exposure and whether management’s actions are in the best interests of the Company and its stockholders. The Company believes that Mr. White’s prior experience as a Board Chair at Jamba Inc. and current role as a Lead Independent Director at Affirm Holdings, Inc. provides the Board with experience in risk identification and oversight of the business. The Board Chair also leads executive sessions, without management present, at every regularly scheduled Board meeting. These executive sessions are also held by each of the Board’s committees at each regularly scheduled committee meeting. As a result, the Company believes that having an independent Board Chair can enhance the effectiveness of the Board as a whole.

## Role of the Board in Risk Oversight

One of the Board's key functions is informed oversight of the Company's risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements and receives updates from the Company's General Counsel on any pending litigation and whistleblower hotline complaints. The Audit Committee reviews and approves any related party transactions. The Audit Committee responsibilities also include oversight of cybersecurity risk management, and, to that end, the committee typically meets at least annually with both IT and business personnel responsible for cybersecurity risk management and receives periodic reports from the head of cybersecurity risk management, as well as incidental reports as matters arise. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. The Nominating and Corporate Governance Committee also reviews potential conflicts of interest, evaluates the Board's leadership structure and management succession, and oversees the Company's ESG activities, including the work of the Company's ESG Council. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Typically, the entire Board meets with the Company's employees responsible for risk management at least annually, and the applicable Board committees meet at least annually with the employees responsible for risk management in the committees' respective areas of oversight. Both the Board as a whole and the various standing committees receive periodic reports from the employees responsible for risk management, as well as incidental reports as matters may arise. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible. The General Counsel coordinates between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues.

## Meetings of The Board

The Board met five times during the last fiscal year. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he or she served, held during the portion of the last fiscal year for which he or she was a director or committee member.

## Information Regarding Committees of the Board

<sup>(2)</sup> Mr. Hartung was appointed to the Audit Committee in June 2022 in connection with his appointment to the Board.

The Board has determined that each member of each committee meets the applicable Nasdaq rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

### **Audit Committee**

The Audit Committee of the Board was established by the Board in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The principal duties and responsibilities of our Audit Committee include, among other things:

- overseeing our accounting and financial reporting processes, systems of internal control, financial statement audits and the quality and integrity of our financial statements;
- managing the selection, engagement terms, fees, qualifications, independence and performance of a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- maintaining and fostering an open avenue of communication between management and the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent registered public accounting firm, our interim and year-end operating results;
- developing procedures for employees to submit concerns anonymously about accounting or audit matters;
- reviewing our policies on risk assessment and risk management including risks related to information security and cybersecurity;
- reviewing and approving related party transactions;
- obtaining and reviewing a report by the independent registered public accounting firm at least annually, that describes its internal quality-control procedures, any material issues with such procedures, and any steps taken to deal with such issues when required by applicable law; and
- approving (or, as permitted, pre-approving) all audit and all permissible non-audit services to be performed by the independent registered public accounting firm.

The Audit Committee is composed of four directors: Ms. Bayne, Ms. Gentile, Mr. Hartung and Mr. Liaw. Ms. Gentile serves as the chair of our Audit Committee. The Audit Committee met four times during 2022. The Board has adopted a written Audit Committee charter that is available to stockholders on the Company’s website at [investors.honest.com](http://investors.honest.com).

The Board reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company’s Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the Nasdaq listing standards).

The Board has also determined that Ms. Gentile and Mr. Hartung each qualify as an “audit committee financial expert,” as defined in applicable SEC rules. The Board made a qualitative assessment of Ms. Gentile’s and Mr. Hartung’s level of knowledge and experience based on a number of factors, including their respective formal education and experience in financial and executive roles.

## Report of the Audit Committee of the Board\*

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2022 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) and the Securities and Exchange Commission. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2022.

## Compensation Committee

The Compensation Committee is composed of three directors: Ms. Bayne, Mr. Liaw and Mr. Pramanik. Ms. Bayne serves as the chair of our Compensation Committee. All members of the Company’s Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the Nasdaq listing standards). The Compensation Committee met eight times during 2022. The Board has adopted a written Compensation Committee charter that is available to stockholders on the Company’s website at [investors.honest.com](https://investors.honest.com).

The Compensation Committee of the Board acts on behalf of the Board to review, recommend for adoption and oversee the Company’s compensation strategy, policies, plans and programs, including:

- assisting the Board in its oversight of the Company's compensation policies, plans and programs, and overall compensation philosophy;
- reviewing and determining the compensation to be paid or awarded to our executive officers, other members of senior management (in the Compensation Committee's discretion) and non-employee directors;
- reviewing and approving, or making recommendations to the Board for approval of the compensation and other terms of employment of our Chief Executive Officer, and evaluating the Chief Executive Officer’s performance in achieving corporate performance goals and objectives;
- reviewing and discussing with management our compensation disclosures;
- administering our equity and non-equity incentive plans and other benefit plans;
- reviewing our practices and policies of employee compensation as they relate to risk management and risk-taking incentives;
- approving the retention of compensation consultants and outside service providers and advisors; and
- assisting the Board in its oversight of the Company's policies and strategies relating to human capital management.

### *Compensation Committee Processes and Procedures*

Typically, the Compensation Committee meets at least two times annually and with greater frequency if necessary. The agenda for each meeting is developed by the Chair of the Compensation Committee, in consultation with the Chief People Officer and the Corporate Secretary. The Compensation Committee meets regularly in executive session. From time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not and does not participate in, and is not present during, any deliberations or determinations of the Compensation Committee regarding his or her compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the compensation committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and Nasdaq, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and Nasdaq described above, the Compensation Committee engaged Semler Brossy as compensation consultants. The Compensation Committee requested that Semler Brossy:

- evaluate the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's long-term strategic goals; and
- assist in refining the Company's compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

As part of its engagement, Semler Brossy was requested by the Compensation Committee to perform analyses of competitive performance and compensation levels for a comparative group of companies created by Semler Brossy and to develop an executive compensation program and company-wide equity grant budget that aligns with the Company's compensation strategy. At the request of the Compensation Committee, Semler Brossy also conducted individual interviews with certain members of senior management to learn more about the Company's business operations and strategy, key performance metrics and strategic goals, as well as the labor markets in which the Company competes. Semler Brossy ultimately developed recommendations that were presented to the Compensation Committee for its consideration. Following active dialogue with Semler Brossy, the Compensation Committee approved a compensation program based on the recommendations of Semler Brossy.

Historically, the Compensation Committee has made most of the significant adjustments to annual compensation, determined bonus and equity awards and established new performance objectives at one or more meetings held during the first quarter of the year. However, the Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of the Company's compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the Chief Executive Officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his or her performance is conducted by the Compensation Committee, which determines any adjustments to his or her compensation as well as awards to be granted. As part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive compensation paid at other companies identified by the consultant.

### **Compensation Committee Interlocks and Insider Participation**

None of the members of the Compensation Committee are currently, or have been at any time, one of our executive officers or employees. None of our executive officers currently serve, or have served during the last year, as a member of the Board or Compensation Committee of any entity that has one or more executive officers serving as a member of our Board or Compensation Committee.

### **Nominating and Corporate Governance Committee**

The Nominating and Corporate Governance Committee is composed of three directors: Ms. Brown, Mr. Pramanik and Mr. White. Mr. White serves as the chair of our Nominating and Corporate Governance Committee. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards). The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on the Company's website and investors.honest.com. The Nominating and Corporate Governance Committee's responsibilities include, among other things:

- identifying, reviewing evaluating, communicating with and recommending that our Board approve, candidates qualified to become Board members or nominees for directors of the Board consistent with criteria approved by the Board;
- considering and making recommendations to our Board regarding the composition of our Board and its committees;
- reviewing and assessing the Company's corporate governance functions;
- overseeing the Company's environmental, social and governance activities;
- reviewing and evaluating with the Board and the Chief Executive Officer the Company's management succession plans; and
- overseeing the evaluation of the Board and its committees.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as (i) possessing relevant expertise upon which to be able to offer advice and guidance to management; (ii) having sufficient time to devote to the affairs of the Company; (iii) demonstrating excellence in his or her field; (iv) having the ability to exercise sound business judgment; (v) experience as a board member or executive officer of another publicly held company; (vi) having a diverse personal background, perspective and experience; and (vii) having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the Company's operating requirements and the long-term interests of the Company's stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, including diversity of a candidate's perspective, background, nationality, age and other demographics.

The Nominating and Corporate Governance Committee appreciates the value of thoughtful Board refreshment, and regularly identifies and considers qualities, skills and other director attributes that would enhance the composition of the Board. In the case of incumbent directors whose terms of office are set to expire, the Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Committee will also take into account the results of the Board's self-evaluation. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 12130 Millennium Drive, #500, Los Angeles, CA 90094 not less than 90 days nor more than 120 days prior to the anniversary date of the mailing of the Company's proxy statement for the last Annual Meeting of Stockholders. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

### **Environmental, Social and Governance**

The Nominating and Corporate Governance Committee oversees the Company's Environmental, Social and Governance ("ESG") activities and makes recommendations to the Company to further its ESG goals. The Nominating and Corporate Governance Committee may appoint and oversee the activities of an ESG Steering Committee, composed of company leaders from across the Company and/or directors of the Company, to advance the Company's ESG goals. In late 2021, the Company formed an ESG Council made up of cross-functional leaders within the Company to strategize and prioritize ESG goals. In 2022, the Company engaged a third-party vendor to assist with its key strategic ESG objectives, including the publication of an Investor ESG tear sheet covering key metrics prescribed under the Sustainability Accounting Standards Board (SASB) and Task Force on Climate-Related Financial Disclosures (TCFD) frameworks. The Company has made several improvements to the ESG section of its Investor Relations website, including the disclosure of key business and information technology policies, the publication of the Investor ESG tear sheet, as well as working directly with ESG rating agencies to understand and improve ratings.

### **Stockholder Communications with the Board**

The Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders of the Company wishing to communicate with the Board or an individual director may send a written communication to the Board or such director c/o The Honest Company, Inc., 12130 Millennium Drive, #500, Los Angeles, CA, 90094, Attn: Secretary. The Secretary will review each communication. The Secretary will forward such communication to the Board or to any individual director to whom the communication is addressed unless the communication contains advertisements or solicitations or is unduly hostile, threatening or similarly inappropriate, in which case the Secretary shall discard the communication or inform the proper authorities, as may be appropriate.

### **Code of Business Conduct and Ethics**

The Company has adopted The Honest Company, Inc. Code of Business Conduct and Ethics that applies to all officers, directors and employees. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

### **Corporate Governance Guidelines**

The Board has adopted Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to (i) Board composition and selection including diversity, (ii) Board meetings and involvement of senior management, (iii) Chief Executive Officer performance evaluation and succession planning, and (iv) Board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed at [investors.honest.com](https://investors.honest.com).

## Proposal 2

### Ratification of Selection of Independent Registered Public Accounting Firm

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP has audited the Company's financial statements since 2012. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the voting power of the shares present virtually or represented by proxy and voting affirmatively or negatively (excluding abstentions and broker non-votes) on the matter at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

### Principal Accountant Fees and Services

The following table represents aggregate fees billed to the Company for the fiscal years ended December 31, 2022 and 2021, by PricewaterhouseCoopers LLP, the Company's principal accountant.

	For the year ended December 31,

<i>(In thousands)</i>		
Audit Fees <sup>(1)</sup>	\$ 1,587	\$ 3,525
Audit-related Fees	—	—
Tax Fees <sup>(2)</sup>	90	152
All Other Fees <sup>(3)</sup>	111	3
Total Fees	\$ 1,788	\$ 3,680

(1) Audit Fees include fees related to the audit of the Company's annual financial statements and review of the Company's quarterly financial statements as well as services that are normally provided by independent registered public accounting firms in connection with statutory and regulatory filings or engagements. This category also includes fees for services incurred in connection with our initial public offering.

(2) Tax fees are for professional services primarily for tax compliance services.

(3) All Other Fees consists of work related to the Company's S-8 filing, PricewaterhouseCoopers LLP's legal fees and disclosure checklist, and out-of-pocket expenses related to employee meals and travel.

## Pre-Approval Policies and Procedures.

In connection with our initial public offering ("IPO") in May 2021 and establishment of our Audit Committee, the Audit Committee adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual, explicit, case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting. All fees described above subsequent to our IPO were pre-approved by the Audit Committee.

The Audit Committee has determined that the rendering of services other than audit services by PricewaterhouseCoopers LLP is compatible with maintaining the principal accountant's independence.

## **Narrative to Summary Compensation Table**

### ***Annual Base Salary***

Our named executive officers receive an annual base salary to compensate them for services rendered to us. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. None of our named executive officers, except Ms. Alba as described below, is currently party to an employment agreement or other agreement or arrangement that provides for automatic or scheduled increases in base salary. The 2022 annual base salaries for our named executive officers were as follows: (1) \$825,000 for Mr. Vlahos from January 1, 2022 to February 11, 2022 and \$850,000 from February 12, 2022 to December 31, 2022, (2) \$400,000 for Ms. Kennedy from January 1, 2022 to January 28, 2022 and \$415,000 from January 29, 2022 to December 31, 2022, and (3) \$600,000 for Ms. Alba from January 1, 2022 to January 31, 2022 and \$700,000 from February 1, 2022 to December 31, 2022.

### ***Non-Equity Incentive Plan Compensation***

We have historically provided our executives with the eligibility to earn an annual cash bonus based upon the achievement of pre-established corporate performance goals. Our executive officers, including our named executive officers, participated in our annual short-term incentive compensation program during fiscal year 2022. Under the terms of the program, 50% of their respective bonus opportunity for fiscal year 2022 was determined by the Company's achievement of predetermined financial results of net revenue, gross margin, and adjusted EBITDA and the remaining 50% of their respective bonus opportunity was determined based on the Company's achievement of five equally weighted strategic goals of distribution, household penetration, sustainability, cost structure, and digital performance. For fiscal year 2022, the Company did not achieve the net revenue target, gross margin target, or adjusted EBITDA target so no payout was achieved for this portion of the annual non-equity incentive plan. As it relates to the corporate strategic goals, the Compensation Committee determined that the Company partially achieved our distribution goal, household penetration goal, sustainability goal and digital performance goal, and did not achieve our cost structure goal. Therefore, the total payout under the annual non-equity incentive plan to each named executive officer was 13.5% of their respective target bonus opportunity in 2022 as reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

### Equity-Based Incentive Awards

Our equity award program is the primary vehicle for offering long-term incentives to our executives. We believe that equity awards provide our executives with a strong link to our long-term performance, create an ownership culture and help to align the interests of our executives and our stockholders. We also believe that our equity awards are an important retention tool for our executives. Prior to our IPO, we granted stock options for this purpose; following the completion of our IPO, we have used RSUs for this purpose because they reward our executives for superior stock performance, but also encourage executive retention as these awards vest over multiple years and can maintain value even during periods when there is volatility in our stock price. We award RSUs broadly to our employees. Grants to our executives and other employees are made at the discretion of our Board and are generally made during the first quarter of the year for current employees and the quarter of hire for new employees.

Prior to our IPO on May 7, 2021, all of the stock options and RSUs we have granted were made pursuant to our 2011 Plan. Following completion of our IPO, we have granted equity incentive awards under the terms of our 2021 Plan.

#### **Employment Agreements with our Named Executive Officers**

Below are descriptions of the material terms of our employment agreements with each of our named executive officers, including the severance terms, which are described below under “Potential Payments Upon Termination or Change in Control.” Each of our named executive officers has executed a form of our standard confidential information and inventions assignment agreement.

### ***Agreement with Nikolaos Vlahos***

On April 24, 2021, we entered into an amended and restated employment agreement with Mr. Vlahos, our Chief Executive Officer. The amended and restated employment agreement became effective on May 4, 2021, has no specific term and provides that Mr. Vlahos is an at-will employee. The agreement initially provided that Mr. Vlahos was eligible to receive an annual base salary of \$825,000 and was eligible for an annual discretionary bonus with a target amount equal to 50% of his annual base salary. In January 2022, in connection with our annual performance review, we determined it was appropriate to increase Mr. Vlahos' base salary to \$850,000 and target bonus eligibility to 100%. As described above under “—Potential Payments Upon Termination or Change in Control—Nick Vlahos Separation Agreement” the Compensation Committee of the Board approved Mr. Vlahos' termination without cause and the principal terms of his separation and consulting arrangement on December 9, 2022, and entered into the Separation Agreement with Mr. Vlahos effective January 10, 2023.

### ***Agreement with Jessica Alba***

On April 26, 2021, we entered into an amended and restated employment agreement with Ms. Alba, our Chief Creative Officer. The amended and restated employment agreement became effective on May 4, 2021, has no specific term and provides that Ms. Alba is an at-will employee. Ms. Alba's annual base salary was \$600,000 as of the effective date of the agreement, which amount, pursuant to the terms of the agreement, increased to \$700,000 effective February 1, 2022. Ms. Alba was eligible for an annual discretionary cash bonus with a target amount equal to 55% of her annual base salary as of the effective date of the agreement, which amount, pursuant to the terms of the agreement, increased to 70% of Ms. Alba's then-current base salary starting January 1, 2022. The agreement provides that Ms. Alba will receive annual RSU grants with a value of \$1,500,000 in each of fiscal years 2022 and 2023 and with a value of \$3,000,000 in fiscal years 2024 through 2030, subject to her continued employment through each grant date, which must occur no later than 60 days following the beginning of the applicable fiscal year. The number of RSUs subject to each grant is calculated by dividing the value of the RSUs by the 30-day trailing average of the closing price of a share of our common stock. Each award will vest at the rate of 25% on the first anniversary of the first day of the applicable fiscal year with respect to which the award was granted, and 6.25% per quarter thereafter, in each case, subject to Ms. Alba's continued service through each applicable vesting date.

### ***Agreement with Kelly Kennedy***

On April 24, 2021, we entered into an amended and restated employment agreement with Ms. Kennedy, our Executive Vice President and Chief Financial Officer. The amended and restated employment agreement became effective May 4, 2021, has no specific term and provides that Ms. Kennedy is an at-will employee. The agreement initially provided that Ms. Kennedy was eligible to receive an annual base salary of \$400,000 and was eligible for an annual discretionary cash bonus with a target amount equal to 40% of her annual base salary. In January 2022, in connection with our annual performance review, we determined it was appropriate to increase Ms. Kennedy's base salary to \$415,000 and target bonus eligibility to 70%.

### **Potential Payments Upon Termination or Change in Control**

As of December 31, 2022, each of our named executive officers was eligible for severance benefits under his or her employment agreement with us upon termination of employment under certain circumstances, as described below. Mr. Vlahos' service as our Chief Executive Officer terminated on January 10, 2023. See “—Nick Vlahos Separation Agreement” below for more information regarding Mr. Vlahos' separation and the payments received in connection therewith.

If Mr. Vlahos is terminated without “cause” (excluding by reason of death or disability) or resigns for “good reason” (such terms as defined below), he will be entitled to receive cash severance in an amount equal to (i) 24 months of his then-current base salary, plus (ii) a pro rata portion of his target bonus amount calculated from the achievement of identified corporate goals, with any personal goals deemed achieved as of the date of Mr. Vlahos' employment termination, with such amount to be paid in equal installments on our regular payroll dates over 24 months. In addition, in the event of a termination of Mr. Vlahos' employment as a result of his death or disability, Mr. Vlahos or his estate will be entitled to a pro rata bonus amount calculated from the achievement of identified corporate goals, with any personal goals deemed achieved as of the date of Mr. Vlahos' employment termination.

If Ms. Kennedy is terminated without “cause” (excluding by reason of death or disability) or resigns for “good reason” (such terms as defined below), she will be entitled to receive cash severance in an amount equal to (i) six months of her then-current base salary, plus (ii) the cost of six months of continuation coverage under COBRA (on an after-tax basis) for her and her eligible dependents, with such amount to be paid in equal installments on our regular payroll dates over six months.

If Ms. Alba is terminated without “cause” (excluding by reason of death or disability) or resigns for “good reason” (such terms as defined below), in either case outside of the change in control period (as defined below), she will be entitled to receive cash severance in an amount equal to (i) 12 months of her then-current base salary, plus (ii) her target annual bonus amount, with such amount to be paid in equal installments on our regular payroll dates over 12 months. Ms. Alba’s severance will also include a cash amount equal to a pro rata portion of the annual bonus, if any, that she would have otherwise earned for the year in which her employment termination occurs, based on the number of days she was employed in the year of her employment termination. We will also accelerate the vesting of the unvested portion of any of Ms. Alba’s then-outstanding equity awards as to the number of shares subject to the outstanding equity awards that would have vested if Ms. Alba had remained employed for an additional 12 months after her termination date, except if after giving effect to such service credit, and only if such service credit extends to or past the last day of the performance period, any performance-vesting award will vest based on actual performance for the entire performance period. Alternatively, if Ms. Alba is terminated without “cause” (excluding by reason of death or disability) or resigns for “good reason,” in either case during the change in control period, Ms. Alba will be entitled to receive (i) cash severance in an amount equal to 24 months of her then-current base salary, plus an amount equal to two times her target annual bonus, (ii) a cash amount equal to a pro rata portion of the annual bonus, if any, that she would have otherwise earned for the year in which her employment termination occurs, based on the number of days she was employed in the year of her employment termination, and (iii) 100% accelerated vesting of all outstanding equity awards, with any performance-vesting award to be deemed to have vested at the target performance level.

As additional severance, we will pay each named executive officer’s COBRA group health insurance premiums for the named executive officer and his or her eligible dependents for up to 24 months for Mr. Vlahos, up to 6 months for Ms. Kennedy and up to 12 months (increased to 24 months if the applicable termination occurs during the change in control period) for Ms. Alba.

These severance benefits are conditioned upon the named executive officer signing and not revoking a separation agreement and release of claims by no later than the sixtieth (60th) day after the employment termination, and resigning from all positions and terminating any relationships as an employee, advisor, officer, or director with us and any of its affiliates as of the date of termination.

For purposes of Mr. Vlahos’ and Ms. Kennedy’s severance benefits, “cause” means any one of the following: (a) willful material breach by such named executive officer of any material company policy (including, but not limited to, our policies on nondiscrimination, anti-harassment, and confidential information) or such named executive officer’s duties or obligations under the employment agreement; (b) such named executive officer’s willful engagement in conduct materially injurious to us, monetarily or otherwise; (c) acts of fraud, theft or other willful illegal acts calling into question such named executive officer’s personal integrity, or conviction on a felony charge, whether or not related to such named executive officer’s employment; or (d) such named executive officer’s willful refusal to follow lawful instructions of our Board.

For purposes of Ms. Alba’s severance benefits, “cause” means any one of the following: (a) willful material breach by Ms. Alba of any material company policy (including, but not limited to, our policies on nondiscrimination, anti-harassment, and confidential information) or Ms. Alba’s duties or obligations hereunder; (b) Ms. Alba’s willful engagement in conduct materially injurious to us, monetarily or otherwise; (c) conviction on acts of fraud, theft or other willful and material illegal acts of moral turpitude, or conviction on a felony charge, whether or not related to Ms. Alba’s employment hereunder; or (d) Ms. Alba’s willful refusal to follow lawful and reasonable instructions of our Board.

For purposes of Ms. Alba’s severance benefits, “change in control period” means the period from three months before the consummation of a “change in control” (as defined in the 2021 Plan) until the two-year anniversary of the change in control.

For purposes of our Mr. Vlahos’ and Ms. Kennedy’s severance benefits, “good reason” means any one of the following without the named executive officer’s consent: (a) an assignment of duties or responsibilities (including reporting responsibilities) materially inconsistent with, or which materially reduce, the named executive officer’s duties, authority, responsibilities and status with us; (b) an adverse change in the named executive officer’s title; (c) any material reduction in the named executive officer’s base salary, other than a reduction, generally applicable to our other executives, by not more than 25%; (d) the relocation of the named executive officer’s principal place of employment to a location that is more than twenty-five (25) miles away from its current location; or (e) the uncured breach of any material provision of such officer’s employment agreement (or any other agreement with the named executive officer’s) by us.

For purposes of Ms. Alba's severance benefits, "good reason" means the occurrence of any one of the following events without Ms. Alba's written consent: (a) an assignment of duties or responsibilities (including reporting responsibilities) materially inconsistent with, or which materially reduce, Ms. Alba's duties, authority, responsibilities and status with us (for this purpose, the parties agree that following a change in control (as defined in the 2021 Plan) a material reduction will occur if Ms. Alba does not report directly to the Board of the entity that determines our strategy); (b) an adverse change in Ms. Alba's title; (c) any material reduction in Ms. Alba's base salary, other than a reduction, generally applicable to our other executives, by not more than 10%; (d) the relocation of Ms. Alba's principal place of employment to a location that is more than twenty-five (25) miles away from its current location; or (e) the uncured breach of any material provision of Ms. Alba's employment agreement (or any other agreement with you) by us.

Mr. Vlahos' stock options granted in September 2018 and February 2020 (other than his stock options that vested upon the completion of our IPO) accelerate vesting upon certain qualifying terminations of his employment as follows: (i) in the event of his involuntary termination without "cause" or his resignation for good reason within three months before or twelve months following a "change in control" (each as defined in the 2011 Plan), the vesting of the shares of our common stock subject to such options will be accelerated in full and (ii) in the event of his involuntary termination without cause, or his resignation for good reason outside of such change in control period, the vesting of a number of shares of our common stock subject to such options equal to the number of shares, if any, that would have vested during the twelve-month period following such termination or resignation will be accelerated.

In March 2022, our Compensation Committee amended Mr. Vlahos' RSU award granted on May 26, 2021 so that it would be subject to vesting acceleration upon termination of Mr. Vlahos' service pursuant to a termination initiated by the Company without "cause" or Mr. Vlahos' resignation for "good reason;" if, following his transition of service, he resigned from the Board without "cause" at the request of the Company; or if he was not re-nominated by the Board or not re-elected to the Board by the stockholders of the Company as a continuing director. As a result of Mr. Vlahos not being re-nominated for election by the Board, the vesting of the remaining shares, prorated through December 31, 2023, under Mr. Vlahos' RSU award granted on May 26, 2021 will accelerate to the date of the Annual Meeting. In addition, the vesting of the shares under Mr. Vlahos' RSU award granted on March 24, 2022 will accelerate to the date of the Annual Meeting as a result of Mr. Vlahos not being re-nominated for election by the Board.

### ***Nick Vlahos Separation Agreement***

The Compensation Committee of the Board approved Mr. Vlahos' termination without cause and the principal terms of his separation and consulting arrangement on December 9, 2022. The Company entered into a separation agreement dated as of January 10, 2023 (the "Separation Agreement") with Mr. Vlahos, which, together with his Employment Agreement dated as of April 24, 2021, (the "Vlahos Employment Agreement") govern the terms of his separation from the Company. Mr. Vlahos' separation was treated as a termination of Mr. Vlahos' employment without cause pursuant to the Vlahos Employment Agreement for all purposes. In addition, the Separation Agreement governs the terms of his consulting arrangement with the Company for the consulting period. The principal terms of Mr. Vlahos separation and consulting arrangement are summarized below.

Under the Separation Agreement, Mr. Vlahos will receive the payments described under the Vlahos Employment Agreement in the event he is terminated without cause, as follows: (i) 24 months of his current annual base salary; (ii) a pro-rated bonus for 2023; and (iii) up to 24 months of COBRA group health insurance continuation. His equity awards will continue to vest per their terms as long as he remains on the Board. The Separation Agreement will contain a general release and waiver of claims pursuant to which Mr. Vlahos agrees to release the Company and certain other parties from any and all claims, charges, causes of action and damages arising on or prior to his execution of the Separation Agreement. Under the Separation Agreement, Mr. Vlahos received \$3.5 million calculated as a cash payment of \$1,900,000 for his consulting services reduced by a dollar amount calculated by multiplying the 30-day volume-weighted average price of the Company's common stock on the Nasdaq Stock Market LLC as of January 9, 2023 by 88,278, which is the number of shares of common stock held on such date by the Nikolaos and Angela Vlahos 2006 Trust, over which Mr. Vlahos and his wife serve as trustees (such amount after the reduction referred to as the "Consulting Payment"), with the consulting payment grossed up for tax withholdings.

### **Retirement Benefits and Other Compensation**

#### **Health and Welfare Benefits and Perquisites**

All of our current named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, disability and life insurance plans, in each case on the same basis as all of our other employees, except that our named executive officers are all entitled to our payment of the full cost of premiums of such benefits. We generally do not provide perquisites or personal benefits to our named executive officers, except in limited circumstances. We provided the perquisites described in footnote (3) to the Summary Compensation Table above to our named executive officers in 2022.

Our named executive officers did not participate in, or otherwise receive any benefits under, any pension, retirement or deferred compensation plan sponsored by us during 2022 other than our 401(k) plan described below.

#### 401(k) Plan

Our named executive officers are eligible to participate in a defined contribution retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees may defer eligible compensation on a pre-tax or after-tax (Roth) basis, up to the statutorily prescribed annual limits on contributions under the Internal Revenue Code of 1986 (the "Code"). Contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participants' directions. We currently match 100% of employee contributions of the first four percent of eligible compensation in order to attract and retain employees with superior talent. Employees are immediately and fully vested in all contributions. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan (except for Roth contributions) and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan. Our Board may elect to adopt qualified or nonqualified benefit plans in the future, if it determines that doing so is in our best interests.

#### Director Compensation

The following table shows for the fiscal year ended December 31, 2022 certain information with respect to the compensation of all non-employee directors of the Company. Mr. Vlahos, who served as our Chief Executive Officer during 2022, and Ms. Alba, who served as our Chief Creative Officer during 2022, did not receive additional compensation for their service as directors, and therefore are not included in the Director Compensation table below. All compensation paid to Mr. Vlahos and Ms. Alba in 2022 is reported above in the "Summary Compensation Table."

#### Narrative to Director Compensation Table

Our Board has adopted a Non-Employee Director Compensation Policy (the “Policy”), which became effective in connection with our IPO in May 2021, pursuant to which each of our directors who is not serving as an employee of the Company is eligible to receive compensation for service on our Board and committees of our Board. The Policy consists of the following components:

#### Cash Compensation

- \$50,000 annual cash retainer for service as a non-employee director;
- \$125,000 annual cash retainer for service as the non-executive chair of our Board;
- \$70,000 annual cash retainer for service as the lead independent director;
- \$15,000 annual cash retainer for service as a member of the Audit Committee and \$20,000 annual cash retainer for service as chair of the Audit Committee;
- \$7,500 annual cash retainer for service as a member of the Compensation Committee and \$15,000 annual cash retainer for service as chair of the Compensation Committee; and
- \$5,000 annual cash retainer for service as a member of the Nominating and Corporate Governance Committee and \$10,000 annual cash retainer for service as chair of the Nominating and Corporate Governance Committee.

The annual cash compensation amounts are payable in equal quarterly installments, in arrears on the last day of each fiscal quarter in which the service occurred, pro-rated for any partial quarter of service.

### Equity Compensation

- *Initial Grant:* Each non-employee director who first joins our Board will be automatically granted an RSU award (the “Initial Grant”), covering a number of RSUs equal to (i) \$185,000 divided by (ii) the average fair market value of a share of our common stock for the 30 consecutive market trading days ending on and including the last market trading day prior to the grant date of such Initial Grant (or if the Initial Grant is granted on the effective date of the Policy, the initial price of a share of our common stock to the public), rounded down to the nearest whole unit. Each Initial Grant will vest in three equal annual installments on the one-, two- and three-year anniversaries of the grant date, subject to the non-employee director’s continued service on each vesting date.
- *Annual Grant and Prorated Annual Grant:* On the date of each Annual Meeting of our stockholders, each person who is then a non-employee director will be automatically granted an RSU award (the “Annual Grant”), covering a number of RSUs equal to (i) \$185,000 divided by (ii) the average fair market value of a share of our common stock for the 30 consecutive market trading days ending on and including the last market trading day prior to the grant date of such Annual Grant, rounded down to the nearest whole unit.

In addition, each non-employee director who first joins our Board on a date other than the date of an annual meeting of our stockholders, on the date the non-employee director first joins our Board, will be automatically granted an RSU award (the “Prorated Annual Grant”), covering a number of RSUs equal to (i) \$185,000 multiplied by a fraction, the numerator of which equals 365 minus the total number of days, as of the grant date of such Prorated Annual Grant, that have occurred since the last Annual Meeting of our stockholders and the denominator of which equals 365, divided by (ii) the average fair market value of a share of our common stock for the 30 consecutive market trading days ending on and including the last market trading day prior to the grant date of such Prorated Annual Grant, rounded down to the nearest whole unit.

Each Annual Grant and Prorated Annual Grant will fully vest on the earlier of (i) the one-year anniversary of its grant date, and (ii) the date immediately prior to the next Annual Meeting of our stockholders following its grant date, subject to the non-employee director’s continued service through the applicable vesting date.

- *Interim Annual Grant and Prorated Interim Annual Grant:* Each non-employee director who first joined our Board before June 1, 2022, was automatically granted an RSU award (the “Prorated Interim Annual Grant”), on the date such non-employee director first joins our Board. Each Prorated Interim Annual Grant will cover a number of RSUs equal to (i) \$185,000 multiplied by a fraction, the numerator of which equals the total number of days during the period beginning on the date the non-employee director first joined our Board and ending on June 1, 2022 and the denominator of which equals 365, divided by (ii) the average fair market value of a share of common stock for the 30 consecutive market trading days ending on and including the last market trading day prior to the grant date of such Prorated Interim Annual Grant, rounded down to the nearest whole unit. Each Prorated Interim Annual Grant fully vested on the earlier of (i) the date immediately prior to the Annual Meeting of our stockholders next following the grant date of the Prorated Interim Annual Grant and (ii) June 1, 2022, subject to the non-employee director’s continued service through the vesting date.

- *Retainer Grant*: Each non-employee director may elect to forego receiving payment of all (but not less than all) of the annual cash retainers described above that he or she is otherwise eligible to receive for the period during our fiscal year that the election applies commencing on the first day of such fiscal year (or if the non-employee director makes the election in our fiscal year that the election applies, on the first day of our fiscal quarter next following our fiscal quarter in which the election is made) and ending on the last day of such fiscal year and instead receive an award of RSUs (the “Retainer Grant”), provided such election is timely made and complies with certain other requirements specified in the Policy. If a non-employee director timely makes the election described above in accordance with the Policy, on the first day of our fiscal year that the election applies (or if the non-employee director makes the election in our fiscal year that the election applies, on the first day of our fiscal quarter following our fiscal quarter in which the election is made), the non-employee director will be automatically granted a Retainer Grant covering a number of RSUs equal to the (i) aggregate amount of the annual cash retainers that the non-employee director is eligible to receive under the Policy for the applicable period to which the election applies divided by (ii) the average fair market value of a share of our common stock for the 30 consecutive market trading days ending on and including the last market trading day prior to the grant date of such Retainer Grant, rounded down to the nearest whole unit. Each Retainer Grant will vest in equal quarterly installments over the period commencing on the grant date of the Retainer Grant and ending on the last day of the fiscal year in which the Retainer Grant is granted, subject to the non-employee director’s continued service on each vesting date.

Each non-employee director may elect to defer the delivery of shares in settlement of any RSU award granted under the Policy that would otherwise be delivered to such non-employee director on or following the date such award vests pursuant to the terms of a deferral election such non-employee director makes in accordance with the Policy.

Each restricted RSU award held by a non-employee director that is granted under the Policy, including the awards described above, will fully vest upon such non-employee director’s death or disability (as defined in our 2021 Plan), or immediately prior to the consummation of a change in control (as defined in our 2021 Plan), in each case to extent such award is outstanding immediately prior to the occurrence of such event.

The aggregate value of all compensation granted or paid, to any non-employee director with respect to any fiscal year of the company, including awards granted and cash fees paid by us to such non-employee director, will not exceed (1) \$750,000 in total value or (2) if such non-employee director first joins our Board during such fiscal year or is serving as the non-employee chair of our Board during such fiscal year, \$1,500,000 in total value.

#### **Nominee and Assignment Agreements**

During 2021, Mr. Pramanik entered into a nominee and indemnity agreement pursuant to which the Company pays all cash compensation earned in connection with his service to our Board directly to his employer, Catterton Management Company, L.L.C. (“Catterton Management”). RSUs granted to Mr. Pramanik for his service as director of the Company is held by him as nominee for an investment fund of Catterton Management. During 2021, Mr. Liaw entered into a director compensation assignment agreement, pursuant to which he agreed to assign his right to any cash compensation earned in connection with his service to our Board directly to Institutional Venture Management XIII, LLC (“IVM”), an affiliate of his employer, Institutional Venture Partners, and assign the beneficial interest in any equity awards granted to him for his service as director of the Company to IVM.

## SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Board reserved 4,000,000 shares of the Company's common stock for issuance under the Inducement Plan, which is not reflected in the table above.

## TRANSACTIONS WITH RELATED PERSONS AND INDEMNIFICATION

### Related Person Transactions Policy and Procedures

In May 2021, the Company adopted a written Related Person Transactions Policy that sets forth the Company's policies and procedures regarding the identification, review, consideration and approval or ratification of "related persons transactions." For purposes of the Company's policy only, a "related person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company and any "related person" are participants involving an amount that exceeds \$120,000. Transactions involving compensation for services provided to the Company as an employee, director, consultant or similar capacity by a related person are not covered by this policy. A related person is any executive officer, director, or more than 5% stockholder of the Company, including any of their immediate family members, and any entity owned or controlled by such persons.

Under the policy, where a transaction has been identified as a related person transaction, management must present information regarding the proposed related person transaction to the Audit Committee (or, where Audit Committee approval would be inappropriate, to such other committee of the Board designated by the Board) for consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to the Company of the transaction and whether any alternative transactions were available. To identify related person transactions in advance, the Company relies on information supplied by its executive officers, directors and certain significant stockholders. In considering related person transactions, the Committee takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to the Company, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the terms of the transaction, (d) the availability of other sources for comparable services or products and (e) the terms available to or from, as the case may be, unrelated third parties or to or from employees generally. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval. The policy requires that, in determining whether to approve, ratify or reject a related person transaction, the Committee consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of the Company and its stockholders, as the Committee determines in the good faith exercise of its discretion.

### Certain Related Person Transactions

The following includes a summary of transactions since January 1, 2021 to which we have been a party, in which the amount involved in the transaction exceeded \$120,000 and in which any of our directors, executive officers or, to our knowledge, beneficial owners of more than 5% of our voting securities or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest. Other than described below, there have not been, nor are there currently any proposed, transactions or series of similar transactions to which we have been or will be a party other than compensation arrangements, which include equity and other compensation, termination, change in control and other arrangements, which are described under "Executive Compensation" and "Director Compensation."

### **Indemnification**

The Company provides indemnification for its directors and officers so that they will be free from undue concern about personal liability in connection with their service to the Company. Under the Company’s Bylaws, the Company is required to indemnify its directors and officers to the extent not prohibited under Delaware or other applicable law. The Company has also entered into indemnity agreements with certain officers and directors. These agreements provide, among other things, that the Company will indemnify the officer or director, under the circumstances and to the extent provided for in the agreement, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under Delaware law and the Company’s Bylaws.

### **HOUSEHOLDING OF PROXY MATERIALS**

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Honest stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Honest. Direct your written request to Attn: Secretary, 12130 Millennium Drive, #500, Los Angeles, CA 90094. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

### **OTHER MATTERS**

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
