The Company sells its products through digital and retail sales channels in the following product categories: diapers and wipes, skin and personal care, and household and wellness.

Initial Public Offering

The Company’s registration statement on Form S-1 (“IPO Registration Statement”) related to its initial public offering (“IPO”) was declared effective on May 4, 2021, and the Company’s common stock began trading on the Nasdaq Global Select Market on May 5, 2021. On May 7, 2021, the Company completed its IPO of 25,807,000 shares of the Company common stock, \$0.0001 par value per share at an offering price of \$16.00 per share. The Company sold 6,451,613 shares and certain existing stockholders sold an aggregate of 19,355,387 shares. The Company received aggregate net proceeds of approximately \$91.1 million after deducting underwriting discounts and commissions of \$6.7 million and other offering expenses of \$5.4 million, \$2.3 million of which was unpaid at March 31, 2021. The Company granted the underwriters an option for a period of 30 days to purchase up to an additional 3,871,050 shares of common stock from the selling stockholders at \$16.00 per share less the underwriting discounts and commissions. In May 2021, the underwriters’ fully exercised the option to purchase these additional shares from the selling stockholders. The Company did not receive any proceeds from the sale of shares of its common stock by the selling stockholders.

Immediately prior to the completion of the IPO, the Company filed an Amended and Restated Certificate of Incorporation, which authorized a total of 1,000,000,000 shares of common stock and 20,000,000 shares of preferred stock. Upon the filing of the Amended and Restated Certificate of Incorporation, 49,100,928 shares of the Company’s redeemable convertible preferred stock then outstanding with a carrying value of \$376.4 million were automatically converted into 49,649,023 shares of the Company’s common stock. Upon completion of the IPO, the Company recognized a gain of \$29.0 million from the conversion of redeemable convertible preferred stock to common stock. Following the completion of the IPO, the Company has one class of authorized and outstanding common stock.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”) and applicable rules and regulations of the Securities and Exchange Commission (“SEC”) regarding interim financial information. Certain information and disclosures normally included in consolidated financial statements prepared in accordance with GAAP have been condensed or omitted. Accordingly, these condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and related notes for the year ended December 31, 2020. The condensed consolidated financial statements are unaudited. The unaudited interim condensed consolidated financial statements have been prepared on a basis consistent with that used to prepare the audited annual consolidated financial statements and include, in the opinion of management, all adjustments, consisting of normal recurring items, necessary for the fair statement of the condensed consolidated financial statements. The consolidated balance sheet as of December 31, 2020 has been derived from the audited financial statements at that date but does not include all of the disclosures required by GAAP.

The consolidated financial statements include the accounts of the Company, and its wholly owned subsidiaries after elimination of intercompany transactions and balances. The condensed consolidated financial statements reflect all adjustments and reclassifications that, in the opinion of management, are necessary for the fair presentation of the Company’s results of operations and financial condition as of and for the periods presented.

There have been no changes in the accounting policies from those disclosed in the audited consolidated financial statements and related notes for the year ended December 31, 2020.

Stock Split

In April 2021, the Company effected a 1-for-2 forward stock split of its common and redeemable convertible preferred stock. In connection with the forward stock split, each issued and outstanding share of common stock, automatically and without action on the part of the holders, became two shares of common stock and each issued and outstanding share of redeemable convertible preferred stock, automatically and without action on the part of the holders, became two shares of redeemable convertible preferred stock. The par value per share of common and redeemable convertible preferred stock was not adjusted. All share, per share and related information presented in the condensed consolidated financial statements and accompanying notes have been retroactively adjusted, where applicable, to reflect the impact of the stock split.

Segment Reporting and Geographic Information

The Company's Chief Executive Officer, as the chief operating decision maker, organizes the Company, manages resource allocations, and measures performance on the basis of one operating segment. All of the Company's long-lived assets are located in the United States and substantially all of the Company's revenue is from customers located in the United States.

Use of Estimates

The preparation of the condensed consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and contingent liabilities at the date of the condensed consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The Company's estimates, which are subject to varying degrees of judgment, include the valuation of inventories, sales returns and allowances, allowances for doubtful accounts, valuation of short-term investments, valuation of build-to-suit lease, capitalized software, useful lives associated with long-lived assets, valuation allowances with respect to deferred tax assets, accruals and contingencies, recoverability of goodwill and long-lived assets, and the valuation and assumptions underlying stock-based compensation, common stock and redeemable convertible preferred stock. On an ongoing basis, the Company evaluates its estimates compared to historical experience and trends, which form the basis for making judgments about the carrying value of assets and liabilities.

In March 2020, the World Health Organization declared the outbreak of the novel coronavirus disease ("COVID-19") a pandemic. The full extent to which the outbreak of the COVID-19 pandemic will impact the Company's business, results of operations and financial condition is still unknown and will depend on future developments, which are uncertain and cannot be predicted, including, but not limited to, the duration and spread of the outbreak, its severity, the actions to contain the virus or treat its impact, and how quickly and to what extent normal economic and operating conditions can resume.

In light of the currently unknown ultimate duration and severity of COVID-19, the Company faces a greater degree of uncertainty than normal in making certain judgments and estimates needed to apply significant accounting policies. The Company assessed certain accounting matters and estimates that generally require consideration of forecasted information in context with the information reasonably available to the Company as of the respective balance sheet dates and through the date these condensed consolidated financial statements were issued. Management is not aware of any specific event or circumstance that would require an update to estimates or judgments or a revision to the carrying value of assets or liabilities. However, these estimates and judgments may change as new events occur and additional information is obtained, which may result in changes being recognized in the Company's consolidated financial statements in future periods.

Cash, Cash Equivalents, and Restricted Cash

Cash equivalents consist of short-term, highly liquid investments with stated maturities of three months or less from the date of purchase. Cash equivalents comprise amounts invested in money market funds. Restricted cash consists of deposits in a bank account used to collateralize the letters of credit for certain lease arrangements.

Accounts Receivable

Accounts receivable is presented net of allowances. The Company does not accrue interest on its trade receivables. On a periodic basis, the Company evaluates accounts receivable estimated to be uncollectible, and provides allowances as necessary for doubtful accounts. The allowance for doubtful accounts was \$1.4 million as of March 31, 2021 and December 31, 2020.

Deferred IPO Costs

Deferred offering costs consist of costs incurred in connection with the sale of the Company's common stock in its IPO, including certain legal, accounting, and other IPO-related costs. At the completion of the IPO, the deferred offering costs were

recorded in stockholders' deficit as a reduction from the proceeds of the offering. As of March 31, 2021 and December 31, 2020, \$3.5 million and \$0.5 million, respectively, of deferred offering costs had been recorded in other assets on the Company's condensed consolidated balance sheets.

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company uses the following hierarchy in measuring the fair value of the Company's assets and liabilities, focusing on the most observable inputs when available:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 quoted prices, such as quoted prices for similar assets and liabilities in active markets, quoted prices in markets that are not active for identical or similar assets and liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement of the assets or liabilities. Inputs reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model.

Fair value is based on quoted market prices, if available. If listed prices or quotes are not available, fair value is based on internally developed models that primarily use market-based or independently sourced market parameters as inputs. Cash equivalents, consisting primarily of money market funds, represent highly liquid investments with maturities of three months or less at purchase. Market prices, which are Level 1 in the fair value hierarchy, are used to determine the fair value of the money market funds. Investments in debt securities are measured using broker provided indicative prices developed using observable market data, which are considered Level 2 in the fair value hierarchy. Certain assets, including long-lived assets, goodwill and intangible assets are also subject to measurement at fair value on a non-recurring basis if they are deemed to be impaired as a result of an impairment review. The fair value is measured using Level 3 inputs in the fair value hierarchy.

Recent Accounting Pronouncements

As an "emerging growth company", the Jumpstart Our Business Startups Act, allows the Company to delay adoption of new or revised accounting pronouncements applicable to public companies until such pronouncements are made applicable to private companies. The Company has elected to use the adoption dates applicable to private companies. As a result, the Company's financial statements may not be comparable to the financial statements of issuers who are required to comply with the effective date for new or revised accounting standards that are applicable to public companies.

Recently Issued Accounting Pronouncements – Not Yet Adopted

In February 2016, the Financial Accounting Standards Board (the "FASB") issued ASU No 2016-02, *Leases (Topic 842)*, as subsequently amended, collectively codified under Topic 842. Topic 842 requires lessees to recognize on the balance sheet assets and liabilities for leases with lease terms of more than twelve months. Consistent with current GAAP, the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. However, unlike current GAAP which requires only capital leases to be recognized on the balance sheet, the new ASU will require both types of leases to be recognized on the balance sheet. ASU 2016-02 was effective for public business entities for fiscal years beginning after December 15, 2018. In June 2020, FASB issued ASU No. 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842) – Effective Dates for Certain Entities*, which extended the effective date of this guidance for certain non-public entities for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022, with early adoption permitted. The Company is evaluating the adoption of this guidance and the potential effects on its consolidated financial statements. The Company anticipates the adoption of this guidance may result in a material impact to the Company's consolidated financial statements as it relates to its build-to-suit lease and recording other operating leases on the consolidated balance sheets.

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to amend the accounting for credit losses for certain financial instruments. This guidance replaces the incurred loss impairment methodology with a methodology that reflects expected credit losses. In November 2019, FASB issued ASU No. 2019-10 which delayed the effective dates of the guidance. This guidance is effective for public business entities that meet the definition of an SEC filer, excluding entities eligible to be smaller reporting companies ("SRC") for fiscal years beginning after December 15, 2019 and all other entities for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. Early adoption is permitted for fiscal years beginning after December 15, 2018, including interim periods within those fiscal years. The Company is evaluating the adoption of this guidance and the potential effects on the consolidated financial statements.

In January 2017, the FASB issued ASU No. 2017-04, *Intangibles Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment*. The amendments in this guidance eliminate Step 2 from the goodwill impairment test, whereby an entity had to perform procedures to determine the fair value at the impairment testing date of its assets and liabilities (including unrecognized assets and liabilities) following the procedure that would be required in determining the fair value of assets acquired and liabilities assumed in a business combination. Instead, under this amendment, an entity should perform its goodwill impairment test by comparing the value of a reporting unit with its carrying amount. An entity should recognize an impairment charge for the amount by which the carrying amount exceeds the reporting unit's fair value; however, the loss recognized should not exceed the total amount of goodwill allocated to that reporting unit. In November 2019, the FASB issued ASU No. 2019-10 which delayed the effective dates of this guidance. This guidance is effective for public business entities excluding entities eligible to be SRCs for annual and any interim impairment test performed for periods beginning after December 15, 2019. For all other entities the guidance is effective for fiscal years beginning after December 15, 2022. Early adoption is permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. The Company is evaluating the adoption of this guidance and the potential effects on the consolidated financial statements.

In December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes*. This standard simplifies the accounting for income taxes by removing certain exceptions to the general principles in ASC 740 as well as by improving consistent application of the topic by clarifying and amending existing guidance. For public business entities, the ASU is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020. For all other entities, the ASU is effective for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. Early adoption of the amendments is permitted, including adoption in any interim period for (1) public business entities for periods for which financial statements have not yet been issued and (2) all other entities for periods for which financial statements have not yet been made available for issuance. An entity that elects to early adopt the amendments in an interim period should reflect any adjustments as of the beginning of the annual period that includes that interim period. Additionally, an entity that elects early adoption must adopt all the amendments in the same period. The Company is currently evaluating the timing of adoption and impact on the Company's consolidated financial statements.

Non-Monetary Transaction

In March 2021, the Company entered into \$4.0 million in trade agreements with a vendor for the exchange of legacy beauty inventory for future marketing and transportation credits. The fair value of the marketing and transportation credits will be recognized as revenue, with the corresponding asset included in prepaid expenses and other current assets and other assets in the accompanying condensed consolidated balance sheets. The Company may use the marketing and transportation credits over four years, with an option to extend for another two years if agreed upon by both parties. For the three months ended March 31, 2021, the Company recognized \$3.4 million of revenue and \$1.8 million of associated cost of revenue based on timing of delivery of goods. The Company assesses the recoverability of the marketing and transportation credits periodically. Factors considered in evaluating the recoverability include management's plans with respect to advertising, freight and other services for which these

credits can be used. Any impairment losses are charged to operations as they are determinable. During the three months ended March 31, 2021, the Company recorded no impairment losses related to these credits and no credits had yet been used.

4. Investments

As of March 31, 2021 and December 31, 2020, all investments in debt securities are classified as available-for-sale investments. All investments are reported within current assets because the securities represent investments of cash available for current operations. As of March 31, 2021 and December 31, 2020, the Company held \$11.1 million and \$27.5 million, respectively, of investments with contractual maturities of less than one year. As of March 31, 2021 and December 31, 2020, the Company held \$1.3 million and \$6.9 million, respectively, of investments with contractual maturities between one and two years. Available-for-sale investments are recorded at fair value, and unrealized holding gains and losses are recorded as a component of other comprehensive income (loss). The following table summarizes the Company's available-for-sale investments:

6. Credit Facilities

On June 4, 2020, the Company terminated its Asset Backed Loan facility ("ABL Revolver"). The Company had no outstanding borrowings under the ABL Revolver immediately prior to termination. Upon termination of the ABL Revolver, the Company was required to post collateral of \$7.9 million in a restricted cash account to collateralize the letters of credit related to certain facility leases.

As of March 31, 2021, the letters of credit issued related to facility leases of \$6.4 million were collateralized by the Company's restricted cash of \$6.6 million. As of December 31, 2020, the letters of credit issued related to facility leases of \$7.7 million were collateralized by the Company's restricted cash of \$7.9 million.

Refer to Note 13 included in these condensed consolidated financial statements for a subsequent event related to the Company entering into a new credit facility.

7. Accrued Expenses

8. Commitments and Contingencies

Litigation

From time to time, the Company is subject to various claims and contingencies which are in the scope of ordinary and routine litigation incidental to its business, including those related to regulation, litigation, business transactions, employee-related matters and taxes, among others. When the Company becomes aware of a claim or potential claim, the likelihood of any loss or exposure is assessed. If it is probable that a loss will result and the amount or range of the loss can be reasonably estimated, the Company records a liability for the loss and discloses the possible loss in the consolidated financial statements. Legal costs are expensed as incurred.

On September 17, 2019, the Nevada Department of Taxation (the "Department") issued a Deficiency Notice against the Company to initiate administrative legal proceedings before the Department for the alleged non-compliance with employee

retention requirements provided in exchange for tax benefits in establishing the Company's Las Vegas distribution center in a December 2016 Abatement Agreement the Company had executed with the State of Nevada via its Governor's Office of Economic Development. The Company has denied the allegations. An administrative hearing was held in the matter on January 15, 2021. On June 9, 2021 the court upheld the Department's Deficiency Notice against the Company in its entirety. The loss resulting from this matter is \$0.6 million plus interest, for which the Company has recorded an accrual of \$0.6 million in accrued expenses on the consolidated balance sheets as of March 31, 2021 and December 31, 2020. The Company has not yet determined if it plans to appeal the decision.

On September 23, 2020, the Center for Advanced Public Awareness served a 60-Day Notice of Violation on the Company, alleging that the Company violated California's Health and Safety Code ("Prop 65") because of the amount of lead in the Company's Diaper Rash Cream and seeking statutory penalties and product warnings available under Prop 65. The Company intends to vigorously defend itself in this matter. The matter's outcome and materiality are uncertain at this time. Therefore, the Company cannot estimate the probability of loss or make an estimate of the loss or range of loss in this matter.

On January 28, 2021, Rosaura Navar filed a putative class action complaint (Rosaura Navar, et al. v. The Honest Company, Inc.—Los Angeles County Superior Court, Case No. 21STCV03381) alleging that the Company violated California's Unfair Competition Law by failing to comply with California's Automatic Renewal Law. The complaint demands restitution, injunctive and declaratory relief. This matter was settled in April 2021 for an immaterial amount. The loss on settlement was recorded in accrued expenses in the accompanying condensed consolidated balance sheets as of March 31, 2021,

As of March 31, 2021 and December 31, 2020, the Company is not subject to any other currently pending legal matters or claims that could have a material adverse effect on its financial position, results of operations, or cash flows should such litigation be resolved unfavorably.

Indemnifications

In the ordinary course of business, the Company may provide indemnifications of varying scope and terms to investors, directors and officers with respect to certain matters, including, but not limited to, losses arising out of the Company's breach of such agreements, services to be provided by the Company, or from intellectual property infringement claims made by third parties. These indemnifications may survive termination of the underlying agreement and the maximum potential amount of future payments the Company could be required to make under these indemnification provisions may not be subject to maximum loss clauses. The maximum potential amount of future payments the Company could be required to make under these indemnification provisions is indeterminable. The Company has never paid a material claim, nor has the Company been involved in litigation in connection with these indemnification arrangements. As of March 31, 2021 and December 31, 2020, the Company has not accrued a liability for these guarantees as the likelihood of incurring a payment obligation, if any, in connection with these guarantees is not probable or reasonably estimable due to the unique facts and circumstances involved.

9. Stock-Based Compensation

Stock-based compensation expense is as follows:

	For the three months ended March 31,

Performance and Market Vesting Conditions

Since 2018, the Company has granted stock options that vest based upon achieving a qualifying liquidity event, provided the employee remains employed on the date the vesting condition is satisfied. As of March 31, 2021, such stock options to purchase 2,442,918 shares of common stock were outstanding with a weighted average exercise price of \$5.54 per share. As of March 31, 2021 and December 31, 2020, total unrecognized stock-based compensation cost related to these stock options was \$3.1 million. In conjunction with the IPO, all 2,442,918 stock option awards vested based on the achievement of the IPO qualifying liquidity event, resulting in the recognition of stock-based compensation expense of \$3.1 million upon the IPO in the second quarter of 2021.

In 2018 and 2019, the Company granted stock options that vest based upon achieving certain performance conditions provided the employee remains employed on the date the performance condition is satisfied. Of these options, 50% vest upon the board of directors confirmation that the Company has achieved net revenue of at least \$420.0 million over any rolling twelve-month period prior to December 31, 2021 (“the Revenue Achievement”) and the remaining 50% vest upon the board of directors confirmation that the Company has achieved adjusted EBITDA of at least \$58.0 million over any rolling twelve-month period prior to December 31, 2021 (“the EBITDA Achievement”).

In February 2020, the Company modified the terms of these stock option awards such that the awards vest solely based upon a qualifying liquidity event where the fair market value of a share of the Company’s common stock in connection with such event is at least 1.5 times the per-share exercise price of the option. The Company determined that neither the Revenue Achievement nor the EBITDA Achievement was probable of occurring at the time of modification, and therefore, no expense was recognized. The fair value of these awards on the date of modification was \$0.8 million, which was recognized as stock-based compensation expense upon the IPO. As of March 31, 2021, the total unrecognized stock-based compensation expense for these modified awards was \$0.7 million due to forfeitures related to employee terminations, which is included in the \$3.1 million unrecognized stock-based compensation cost above.

Restricted Stock Units

In February 2021, the Company granted 200,000 restricted stock units (“RSUs”) to an officer of the Company of which 80,000 RSUs will vest over a period of four years based on continued service and 120,000 RSUs will vest one year after the occurrence of a liquidity event, including an IPO. The grant-date fair value of this award was \$2.0 million. In conjunction with the IPO, the Company recognized stock-based compensation expense of \$0.2 million related to these RSUs.

Refer to Note 13 included in these condensed consolidated financial statements for subsequent events related to the Company's adoption of the Company's 2021 Equity Incentive Plan, IPO RSU Grants granted thereunder, and the Company's 2021 Employee Stock Purchase Plan.

10. Net Income (Loss) per Share Attributable to Common Stockholders

The Company computes net income (loss) per share using the two-class method required for participating securities. The two-class method requires net income be allocated between common stock and participating securities based upon their respective rights to receive dividends as if all income for the period had been distributed. In periods where the Company has net losses, losses are not allocated to participating securities as they are not required to fund the losses. The Company considers its redeemable convertible preferred stock to be participating securities as preferred stockholders have rights to participate in dividends with the common stockholders.

Basic net income (loss) attributable to common stockholders per share is calculated by dividing net income (loss) attributable to common stockholders by the weighted-average number of shares of common stock outstanding. The Company computes diluted net income per share under a two-class method where income is reallocated between common stock, potential common stock and participating securities. Diluted net income (loss) per share attributable to common stockholders adjusts the basic net income (loss) per share attributable to common stockholders and the weighted-average number of shares of common stock outstanding for the potentially dilutive impact of stock options using the treasury stock method.

The following table sets forth the computation of the Company's basic and diluted net income (loss) per share attributable to common stockholders:

	For the three months ended March 31,	
	2021	2020
<i>(In thousands, except for share and per share values)</i>

Basic	\$ (0.13)	\$ 0.01
Diluted	\$ (0.13)	\$ 0.01

The following potentially dilutive shares were excluded from the computation of diluted net income (loss) per share because including them would have been antidilutive for the three months ended:

	For the three months ended March 31,	
	2021	2020
<i>(In thousands)</i>		
Redeemable convertible preferred stock	49,100	49,100
Stock options to purchase common stock	17,829	13,050

Total	67,129	62,150

11. Income Taxes

In determining quarterly provisions for income taxes, the Company uses the annual estimated effective tax rate applied to the actual year-to-date loss, adjusted for discrete items arising in that quarter. The Company's annual estimated effective tax rate

differs from the U.S. federal statutory rate of 21% primarily as a result of a valuation allowance against net deferred tax assets, stock-based compensation, state taxes, and other permanent differences.

The Company has evaluated the available positive and negative evidence supporting the realization of its gross deferred tax assets, including cumulative losses, and the amount and timing of future taxable income, and has determined it is more likely than not that the assets will not be realized. Accordingly, the Company has recorded a full valuation allowance against the U.S. federal and state deferred tax assets as of each balance sheet date presented.

During the three months ended March 31, 2021 and 2020, the Company has not recorded any uncertain tax positions and has not recognized interest or penalties in the consolidated statement of operations and comprehensive income (loss).

12. Related Party Transactions

In April 2020, the Company engaged Summit House Studios LLC, a third-party consultant, to provide digital ad production services. Summit House Studios LLC is owned by a major shareholder of the Company. Based on services provided, the Company incurred \$0.1 million of advertising costs for the three months ended March 31, 2021, which is reported as marketing expense in the Company's consolidated statements of comprehensive income (loss).

13. Subsequent Events

Dividend

In April 2021, the Company's board of directors declared a cash dividend of \$35.0 million to the holders of record of the Company's common stock and the Company's redeemable convertible preferred stock as of May 3, 2021, which is payable no later than June 30, 2021.

2021 Credit Facility

In April 2021, the Company entered into a first lien credit agreement ("2021 Credit Facility"), with JPMorgan Chase Bank, N.A., as administrative agent and lender, and the other lenders party thereto, which provides for a \$35.0 million revolving credit facility that matures April 2026. The 2021 Credit Facility includes a subfacility that provides for the issuance of letters of credit in an amount of up to \$10.0 million at any time outstanding. The 2021 Credit Facility is subject to customary fees for loan facilities of this type, including a commitment fee based on the average daily undrawn portion of the revolving credit facility. The interest rate applicable to the 2021 Credit Facility is, at the Company's option, either (a) the LIBOR (or a replacement rate established in accordance with the terms of the 2021 Credit Facility) (subject to a 0.00% LIBOR floor), plus a margin of 1.50% or (b) the CB floating rate minus a margin of 0.50%. The CB floating rate is the highest of (a) the Wall Street Journal prime rate and (b)(i) 2.50% plus (ii) the adjusted LIBOR rate for a one-month interest period.

The 2021 Credit Facility contains various affirmative and negative covenants, indemnification provisions and events of default that are applicable to the Company and which are normal and customary for similar facilities, including the following: (a) restrict the Company's ability to make restricted payments including dividends and distributions on, redemptions of, repurchases or retirement of the Company's capital stock, (b) restrict certain of the Company's subsidiaries' ability to engage in certain intercompany transactions with other subsidiaries that do not guarantee obligations under the 2021 Credit Facility and (c) restrict the Company's ability to incur additional indebtedness and issue certain types of equity; sell assets, including capital stock of subsidiaries; enter into certain transactions with affiliates; incur liens; enter into fundamental changes including mergers and consolidations; make investments, acquisitions, loans or advances; create negative pledges or restrictions on the payment of dividends or payment of other amounts owed from subsidiaries; make prepayments or modify documents governing material debt that is subordinated with respect to right of payment; engage in certain sale leaseback transactions; change the Company's fiscal year; and change the Company's lines of business. The 2021 Credit Facility contains a financial covenant that requires the Company to maintain a total net leverage ratio of not more than 3.50:1.00 during the periods set forth in the 2021 Credit Facility.

Litigation

Refer to Note 8 included in these condensed consolidated financial statements regarding the April 2021 settlement of a putative class action, as well as an update to the Department's Deficiency Notice in the Nevada tax abatement matter.

IPO Bonus

After the closing of the IPO, the Company paid \$9.5 million in bonuses to certain employees, including members of management, excluding in each case payroll taxes and expenses.

2021 Equity Incentive Plan

In April 2021, the Company's board of directors adopted the Company's 2021 Equity Incentive Plan (the "2021 Plan"). All equity-based awards going forward will be granted under the 2021 Plan. The 2021 Plan provides for grants of incentive stock options ("ISOs") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), to the Company's employees and its parent and subsidiary corporations' employees, and for the grant of nonstatutory stock options ("NSOs"), stock appreciation rights, restricted stock awards, RSU awards, performance awards and other forms of awards to the Company's employees, directors and consultants and any of its affiliates' employees and consultants. Initially, the maximum number of shares of the Company's common stock that may be issued under its 2021 Plan will not exceed 25,025,580 shares of the Company's common stock, which is the sum of (i) 7,050,000 new shares, plus (ii) an additional number of shares not to exceed 17,975,580 shares, consisting of shares of the Company's common stock subject to outstanding stock options or other stock awards granted under the Company's 2011 Stock Incentive Plan that, on or after the Company's 2021 Plan terminates or expires prior to exercise or settlement; are not issued because the award is settled in cash; are forfeited because of the failure to vest; or are reacquired or withheld (or not issued) to satisfy a tax withholding obligation or the purchase or exercise price, if any, as such shares become available from time to time. In addition, the number of shares of the Company's common stock reserved for issuance under its 2021 Plan will automatically increase on January 1 of each year for a period of ten years, beginning on January 1, 2022 and continuing through January 1, 2031, in an amount equal to (1) 4% of the total number of shares of the Company's common stock outstanding on December 31 of the immediately preceding year, or (2) a lesser number of shares determined by the Company's board of directors prior to the date of the increase. The maximum number of shares of the Company's common stock that may be issued on the exercise of ISOs under its 2021 Plan is 75,100,000 shares.

IPO RSU Grants

In May 2021, the Company's board of directors granted 2,187,713 RSUs to certain executive officers under the 2021 Plan (the "IPO Awards") which vest over a five-year period, with 20% of the restricted stock units vesting on the first anniversary of the vesting commencement date, and the remainder vesting in 16 equal quarterly installments thereafter, in each case, subject to the executive officer's continuous service with the Company as of each vesting date. Each IPO Award is subject to the terms and conditions of the 2021 Plan and an award agreement with the applicable grantee.

2021 Employee Stock Purchase Plan

In April 2021, the Company's board of directors adopted the Company's 2021 Employee Stock Purchase Plan (the "2021 ESPP"). The 2021 ESPP is structured as a qualified employee stock purchase plan under Section 423 of the Code, and is not subject to the provisions of the Employee Retirement Income Security Act of 1974. The Company authorized the issuance of 1,175,000 shares of common stock under the 2021 ESPP. In addition, the number of shares available for issuance under the 2021 ESPP will be annually increased on January 1 of each year for a period of ten years, beginning on January 1, 2022 and continuing through January 1, 2031 by the lesser of (i) 1% of the total number of shares of common stock outstanding on December 31 of the immediately preceding year; and (ii) 3,525,000 shares, except before the date of any such increase, the Company's board of directors may determine that such increase will be less than the amount set forth in clauses (i) and (ii). The 2021 ESPP permits eligible participants to purchase common stock through payroll deductions of up to 15% of their eligible compensation. The Company's 2021 ESPP is implemented through a series of offerings under which eligible employees are granted purchase rights to purchase shares of the Company's common stock on specified dates during such offerings. Under the Company's 2021 ESPP, the Company's board of directors may specify offerings with durations of not more than 27 months and to specify shorter purchase periods within each offering. Each offering will have one or more purchase dates on which shares of the Company's common stock will be purchased for employees participating in the offering. The Company's 2021 ESPP provides that an offering may be terminated under certain circumstances. The purchase price of the shares, in the absence of a contrary designation, will be at least not less than the lesser of (i) 85% of the fair market value of a share of the Company's common stock on the first day of an offering; or (ii) 85% of the fair market value of a share of the Company's common stock on the date of purchase.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations.

You should read the following discussion and analysis of our financial condition and results of operations together with our condensed consolidated financial statements and related notes included elsewhere in this Quarterly Report on Form 10-Q, as well as our audited consolidated financial statements and related notes as disclosed in our prospectus, dated May 4, 2021, filed with the Securities and Exchange Commission (“SEC”) in accordance with Rule 424(b) of the Securities Act on May 6, 2021 (the “Prospectus”) in connection with our initial public offering (“IPO”).

Overview

The Honest Company, Inc. (“Honest” and, together with its consolidated subsidiaries, the “Company,” “we,” “us” and “our”) is a digitally-native, mission-driven brand focused on leading the clean lifestyle movement, creating a community for conscious consumers and seeking to disrupt multiple consumer product categories. Our commitment to our core values, passionate innovation and engaging our community has differentiated and elevated our brand and our products. Since our launch in 2012, we have been dedicated to developing clean, sustainable, effective and thoughtfully-designed products. By doing so with transparency, we have cultivated deep trust around what matters most to our consumers: their health, their families and their homes. We are an omnichannel brand, ensuring our products are available however our consumers shop. Our differentiated platform positions us for continued growth through our trusted brand, award-winning multi-category product offering, deep digital-first connection with consumers and omnichannel accessibility.

Our integrated multi-category product architecture is intentionally designed to serve our consumers every day, at every age and through every life stage, no matter where they are on their journey. Today, our three categories are Diapers and Wipes, Skin and Personal Care and Household and Wellness, which represented 61%, 32%, and 6%, respectively, of our revenue for the three months ended March 31, 2021, compared to 70%, 26%, and 5%, respectively, of our revenue for the three months ended March 31, 2020. At the center of our product ecosystem are our diapers, which are a strategic consumer acquisition tool that acts as an entry point for our portfolio, as new parents often go on to purchase products from our other categories for their everyday family needs. Our integrated multi-category product architecture is designed to drive loyalty, increase our consumer wallet share and generate attractive consumer lifetime value.

We believe that our consumers are modern, aspirational, conscious and style-forward and that they seek out high quality, effective and thoughtfully-designed products. We believe that they are passionate about living a conscious life and are enthusiastic ambassadors for brands they trust. As purpose-driven consumers, they transcend any one demographic, spanning gender, age, geography, ethnicity and household income. Honest consumers are often young, mobile-centric and digitally-inclined. We build relationships with these consumers through a disruptive digital marketing strategy that engages them with “snackable” digital content (short-form, easily digestible content), immerses them in our brand values, and inspires them to join the Honest community. Our direct connection with our community enables us to understand what consumers’ needs are and inspires our product innovation pipeline, generating a significant competitive advantage over more traditional consumer packaged goods, or CPG, peers.

Our omnichannel approach seeks to meet consumers however they want to shop, balancing deep consumer connection with broad convenience and accessibility. Since our launch, we have built a well-integrated omnichannel presence by expanding our retail accessibility across both Digital and Retail channels, including the launch of strategic partnerships with Costco, Target and Amazon in 2013, 2014 and 2017, respectively. For the three months ended March 31, 2021, we generated 52% and 48% of our revenue from our Digital and Retail channels, respectively, compared to 57% and 43% respectively for the three months ended March 31, 2020. We maintain direct relationships with our consumers via our flagship digital platform, Honest.com, which allows us to influence brand experience and better understand consumer preferences and behavior. We increase accessibility of our products to more consumers through both the third-party pureplay ecommerce sites that, with Honest.com, comprise the rest of our Digital channel, and our Retail channel, which includes leading retailers and their websites. Our products can be found in approximately 32,000 retail locations across the United States, Canada and Europe. This distinctive business model has allowed us to efficiently scale our business while remaining agnostic as to the channel where consumers purchase our products. Our integrated omnichannel presence provides meaningful benefits to our consumers which we believe is not easily replicated by our competitors.

Initial Public Offering

On May 7, 2021, we completed our IPO of 25,807,000 shares of our common stock at a stock price of \$16.00 per share, resulting in aggregate net proceeds to us of approximately \$91.1 million, after deducting the underwriting discount and commissions of \$6.7 million and offering expenses of \$5.4 million, \$2.3 million of which was unpaid at March 31, 2021. We sold 6,451,613 shares and certain existing stockholders sold an aggregate of 19,355,387 shares. We granted the underwriters an option for a period of 30 days to purchase up to an additional 3,871,050 shares of common stock from the selling stockholders at \$16.00 per share less the underwriting discounts and commissions. In May 2021, the underwriters' fully exercised the option to purchase these additional shares from the selling stockholders. We did not receive any proceeds from the sale of shares of our common stock by the selling stockholders.

Key Factors Affecting Our Performance

We believe that the growth of our business and our future success are dependent on many factors. While each of these factors presents significant opportunities for us, they also pose important challenges that we must successfully address to enable us to sustain the growth of our business and improve our operations while staying true to our mission, including those discussed below and in the section of this Quarterly Report on Form 10-Q titled "Risk Factors."

Ability to Grow Our Brand Awareness

Our brand is integral to the growth of our business and is essential to our ability to engage and stay connected with the growing clean lifestyle consumer. Honest is still unknown to many consumers, with unaided brand awareness of 25% among diaper buyers according to our consumer research as of January 2021. In order to increase the wallet share of existing conscious consumers and attract new ones, our brand has to maintain its trustworthiness and authenticity. Our ability to attract new consumers will depend, among other things, on our ability to successfully communicate the value of our products as clean, sustainable and effective, the efficacy of our marketing efforts and the offerings of our competitors. Beyond preserving the integrity of our brand, our performance will depend on our ability to augment our reach and increase the number of consumers aware of Honest and our product portfolio. We believe our brand strength will enable us to continue to expand across categories and channels, allowing us to deepen relationships with consumers and expand our access to global markets. Our performance depends significantly on factors that may affect the level and pattern of consumer spending in the product categories in which we operate.

Continued Innovation

Research, development and innovation are core elements underpinning our growth strategy. Through our in-house research and development laboratories, we are able to access the latest advancements in clean ingredients and continue to innovate in the clean conscious lifestyle space. Based in Los Angeles, California, our research and development team, including chemists and an in-house toxicologist, develops innovative clean products based on the latest green technology. At Honest, product innovation never stops. The improvement of existing products and the introduction of new products have been, and continue to be, integral to our growth. We have made significant investments in our product development capabilities and plan to do so in the future. We believe our rigorous approach to product innovation has helped redefine and grow the clean and natural segments of the categories in which we operate. Our continued focus on research and development will be central to attracting and retaining consumers in the future. Our ability to successfully develop, market and sell new products will depend on a variety of factors, including our continued investment in innovation, integrated business planning processes and capabilities.

Continued Product Category Growth

Our product mix is a driver of our financial performance given our focus on accretive product launches and renovation to increase product margins. Even though our growth strategy aims to boost sales across all categories, we intend to prioritize growth in Skin and Personal Care given its attractive margin characteristics and leverage our brand equity and consumer insights to extend into new adjacent product categories. Since we launched our Innovation Strategy, we have enhanced our product portfolio by strategically discontinuing certain products and making calculated extensions within our three product categories. These product changes have contributed to our revenue and margin growth. We intend to continue to prioritize our innovation in higher-margin products, particularly in Skin and Personal Care.

Continued Execution of Omnichannel Strategy

The continued execution of our omnichannel strategy impacts our financial performance. We intend to continue leveraging our marketing strategy to drive increased consumer traffic to our flagship digital platform, Honest.com, as it is a valuable tool for creating direct connections with our consumers, influencing brand experience and understanding consumer preference and behavior. Our partnerships with leading third-party retail platforms and national retailers have broadened our consumer reach, raised our brand awareness and enhanced our margins through operating leverage. We will continue to pursue

partnerships with a wide variety of retailers, including online retailers, big-box retailers, grocery stores, drugstores and specialty retailers. Our ability to execute this strategy will depend on a number of factors, such as retailers' satisfaction with the sales and profitability of our products, channel shifts of their customers, and their own supply chain, order timing, and inventory needs, which may fluctuate from period to period. For example, in the second quarter of fiscal 2021, we are experiencing volatility in orders from a key customer, which could have a potentially material effect on revenue for the quarter. While we expect shipment volatility to this customer to stabilize, shipment volatility to this customer — as with other customers — may or may not stabilize over time.

Operational and Marketing Efficiency

To grow our business, we intend to continue to improve our operational efficiency, which includes attracting new consumers, increasing community engagement and improving fulfillment and distribution operations. We invest significant resources in marketing and content generation, use a variety of brand and performance marketing channels and work continuously to improve brand exposure at our retail partners to acquire new consumers. It is important to maintain reasonable costs for these marketing efforts relative to the revenue we expect to derive from our consumers. We leverage our proprietary Honest Omni-Analytics to generate valuable consumer insights that guide our omnichannel strategy and inform our marketing spend optimization. Our future success depends in part on our ability to effectively attract consumers on a cost-efficient basis and extract efficiencies in our operations.

Overall Macro Trends

We have strategically positioned ourselves to benefit from several macro trends related to changes in consumer behavior. We believe consumers' increasing care for a conscious lifestyle has contributed to significant demand for our products. Further, the rise in digital shopping has complemented our flagship digital platform, Honest.com, our presence with third-party ecommerce players and our Retail partners' websites. Changes in macro-level consumer spending trends, including as a result of the COVID-19 pandemic, could result in fluctuations in our operating results.

Impact of COVID-19

The COVID-19 pandemic has caused general business disruption worldwide beginning in January 2020. The full extent to which the COVID-19 pandemic will directly or indirectly impact our cash flow, business, financial condition, results of operations and prospects will depend on future developments that are uncertain.

As a result of the COVID-19 pandemic, our headquarters is temporarily closed as we support our employees and contractors to work remotely. We have also implemented travel restrictions. These actions represent a significant change in how we operate our business, but we believe that we successfully navigated this transition. In an effort to provide a safe work environment for our employees, we have implemented various social distancing measures, including replacing many in-person meetings with virtual interactions. We will continue to take actions as may be required or recommended by government or health authorities or as we determine are in the best interests of our employees and other business partners in light of the pandemic.

We have experienced relatively minor impacts on our inventory availability and delivery capacity since the outbreak, none of which has materially impacted our ability to service our consumers and retail and third-party ecommerce customers. We have taken measures to bolster key aspects of our supply chain, such as securing secondary suppliers and ensuring sufficient inventory to support our continued growth in the face of the pandemic. We continue to work with our existing manufacturing, logistics and other supply chain partners to ensure our ability to service our consumers and retail and third-party ecommerce customers.

We believe COVID-19 has been one of the drivers of demand in our Digital channel as consumers shifted to online shopping amid the pandemic. Additionally, our Household and Wellness product category has benefited from increasing demand for sanitization products. We accelerated our development timeline for certain product launches, launching our disinfecting spray and alcohol wipes in 2020. We have seen increased consumer willingness to return to in-store shopping as the economy opens and more of the population is vaccinated. This has driven a channel shift and demand acceleration driving revenue growth within our Retail channel in 2021.

The operations of our retail partners, manufacturers and suppliers have also been impacted by the COVID-19 pandemic. While the duration and extent of the COVID-19 pandemic depends on future developments that cannot be accurately predicted at this time, it has already had an adverse effect on the global economy and the ultimate societal and economic impact of the COVID-19 pandemic remains unknown. In particular, the conditions caused by this pandemic may negatively impact collections of accounts receivable and reduce expected spending from new consumers, all of which could adversely affect our business, financial condition, results of operations and prospects during fiscal 2021 and potentially future periods.

Components of Results of Operations

Revenue

We generate revenue through the sale of our products through Digital and Retail channels in the following product categories: Diapers and Wipes, Skin and Personal Care and Household and Wellness. The Digital channel includes direct sales to the consumer through our website and sales to third-party ecommerce customers, who resell our products through their own online platforms. The Retail channel includes sales to traditional brick and mortar retailers, who may also resell our products through their own online platforms. Our revenue is recognized net of allowances for returns, discounts, credits and any taxes collected from consumers.

In 2019 we entered into a license agreement with Butterblu, LLC, or Butterblu, pursuant to which we license certain of our trademarks to Butterblu for the manufacture and distribution of certain baby apparel products in exchange for royalties. Butterblu operates and maintains our baby apparel offerings independently through the honestbabyclothing.com website. Our baby apparel offerings and our agreement with Butterblu are not currently material to our business and not expected to be material in the future. For the three months ended March 31, 2021, we collected \$0.2 million in royalty revenue. For the three months ended March 31, 2020, we did not collect any royalty revenue under this agreement due in part because we granted Butterblu temporary payment relief.

Cost of Revenue

Cost of revenue includes the purchase price of merchandise sold to customers, inbound and outbound shipping and handling costs, freight and duties, shipping and packaging supplies, credit card processing fees and warehouse fulfillment costs incurred in operating and staffing warehouses, including rent. Cost of revenue also includes depreciation and amortization, allocated overhead and direct and indirect labor for warehouse personnel.

Gross Profit and Gross Margin

Gross profit represents revenue less cost of revenue. Gross margin is gross profit expressed as a percentage of revenue. Our gross margin may in the future fluctuate from period to period based on a number of factors, including the mix of products we sell, the channel through which we sell our products, the innovation initiatives we undertake in each product category, the promotional environment in the marketplace, manufacturing costs, commodity prices and transportation rates, among other factors.

Operating Expenses

Our operating expenses consist of selling, general and administrative, marketing and research and development expenses.

Selling, General and Administrative

Selling, general and administrative expenses consist primarily of personnel costs, principally for our selling and administrative functions. These include personnel-related expenses, including salaries, bonuses, benefits and stock-based compensation expense. Selling, general and administrative expenses also include technology expenses, professional fees, facility costs, including insurance, utilities and rent relating to our headquarters, depreciation and amortization and overhead costs. We expect our general and administrative expenses to increase in absolute dollars as we continue to grow our business and organizational capabilities. We also anticipate that we will incur additional costs for employees and third-party professional fees related to operating as a public company and costs to comply with the rules and regulations applicable to companies listed on a national securities exchange, costs related to compliance and reporting obligations, and increased expenses for insurance, investor relations and professional services.

Marketing

Marketing expenses include costs related to our branding initiatives, retail customer marketing activities, point of purchase displays, targeted online advertising through sponsored search, display advertising, email marketing campaigns, market research, content production and other public relations and promotional initiatives. We expect marketing expenses to continue to increase in absolute dollars as we continue to expand brand awareness, introduce new product innovation across multiple product categories and implement new marketing strategies.

Research and Development

Research and development expenses consist primarily of personnel-related expenses for our research and development team. Research and development expenses also include costs incurred for the development of new products, improvement in the quality of existing products and the development and implementation of new technologies to enhance the quality and value of products. Research and development expenses also include allocated depreciation and amortization and overhead costs. We expect

research and development expenses to increase in absolute dollars as we invest in the enhancement of our product offerings through innovation and the introduction of new adjacent product categories.

IPO-Related Expenses

In 2020, we paid bonuses totaling \$9.5 million to certain employees, including members of management, relating to preparation of our IPO, and after the closing of the IPO, we paid an additional \$9.5 million in bonuses to certain employees, including members of management, which we collectively refer to as the IPO Bonuses, excluding in each case payroll taxes and expenses. In addition, upon the effective date of the registration statement for our IPO in May 2021, we recognized stock-based compensation expense in selling, general and administrative and research and development expenses of \$3.1 million related to certain performance and market-based stock options and \$0.2 million related to certain restricted stock units.

Interest and Other Income (Expense), Net

Interest income consists primarily of interest income earned on our short-term investments and our cash and cash equivalents balances. Interest expense consists primarily of interest expense associated with our leasing arrangements.

Other income (expense), net consists primarily of our foreign currency exchange gains and losses relating to transactions denominated in currencies other than the U.S. dollar. We expect our foreign currency gains and losses to continue to fluctuate in the future due to changes in both the volume of foreign currency transactions and foreign currency exchange rates.

Income Tax Provision

We are subject to federal and state income taxes in the United States. Our annual estimated tax rate differed from the U.S. federal statutory rate of 21% primarily as a result of a valuation allowance against deferred tax assets, stock-based compensation, state taxes, and other permanent differences. We maintain a full valuation allowance for our federal and state deferred tax assets, including net operating loss carryforwards, as we have concluded that it is not more likely than not that the deferred tax assets will be realized.

Total Revenue	\$ 81,032	\$ 72,372	\$ 8,660	12.0 %

Revenue was \$81.0 million for the three months ended March 31, 2021 as compared to \$72.4 million for the three months ended March 31, 2020. The increase of \$8.7 million, or 12.0%, was primarily due to a \$7.8 million increase in revenue from Skin and Personal Care products and a \$1.8 million increase in revenue from Household and Wellness products, offset by a \$0.9 million decrease in revenue from Diapers and Wipes. The revenue increase from Skin and Personal Care was primarily driven by increased sales volume on our products across both our Digital and Retail channels, including \$3.4 million through the non-monetary sale of our legacy beauty inventory in exchange for future marketing and transportation credits. Our revenue from Skin and Personal Care products grew in our Digital channel driven by our continued investment in our digital marketing strategy and grew in our Retail channel as a result of volume growth and expanded distribution with our retail partners. The revenue growth from Household and Wellness was primarily driven by our sanitization and disinfecting products that we introduced in the second half of 2020. Diapers and Wipes revenue was down slightly as we released and transitioned into our new Clean Conscious Diaper, as well as lower wipes consumption during the three months ended March 31, 2021, as compared to higher wipes consumption during the initial stages of the COVID-19 pandemic during the three months ended March 31, 2020.

Revenue growth was higher in our Retail channel than our Digital channel as sales across products saw higher volumes with our retailer partners as compared to the higher digital penetration we saw during the initial stages of the COVID-19 pandemic during the three months ended March 31, 2020.

	2021	2020			
(In thousands, except percentages)					
Cost of revenue	\$ 52,651	\$ 46,567	\$ 6,084		13.1 %
Gross profit	\$ 28,381	\$ 25,805	\$ 2,576		10.0 %

Cost of revenue was \$52.7 million for the three months ended March 31, 2021 as compared to \$46.6 million for the three months ended March 31, 2020. The increase of \$6.1 million, or 13.1%, was primarily due to increased product, shipping and fulfillment expenses associated with the increased sales of our products. Cost of revenue as a percentage of revenue increased by 63 basis points primarily due to higher input costs and a more normalized level of promotional activity as compared to the three months ended March 31, 2020.

Gross profit was \$28.4 million for the three months ended March 31, 2021 as compared to \$25.8 million for the three months ended March 31, 2020. The increase of \$2.6 million, or 10.0%, was primarily due to the increased sales of our products primarily from Skin and Personal Care.

Selling, general and administrative expenses were \$16.7 million for the three months ended March 31, 2021 as compared to \$14.7 million for the three months ended March 31, 2020. The increase of \$2.0 million, or 13.5%, was primarily due to an increase of \$1.3 million in audit fees driven by IPO-related transaction costs.

	2021	2020			
(In thousands, except percentages)					
Marketing	\$ 14,173	\$ 9,193	\$ 4,980		54.2 %

Marketing expenses were \$14.2 million for the three months ended March 31, 2021, as compared to \$9.2 million for the three months ended March 31, 2020. The increase of \$5.0 million, or 54.2%, was primarily due to an increase of \$2.4 million in retail marketing expenses and an increase of \$1.3 million in advertising expenses. The increase in advertising expense was driven in part by the launch of our Clean Conscious Diaper in January 2021.

Research and Development Expenses

	For the three months ended March 31,			\$	%

Interest and Other Income (Expense), Net

	For the three months ended March 31,		\$	%
	2021	2020	change	change
<i>(In thousands, except percentages)</i>				
Interest and other income (expense), net	\$ (327)	\$ (159)	\$ (168)	105.7 %

Interest and other income (expense), net was expense of \$0.3 million for the three months ended March 31, 2021, as compared to expense of \$0.2 million for the three months ended March 31, 2020. The increase of \$0.2 million, or 105.7%, was primarily due to a decrease in interest income on our short-term investments due to a lower average investment balance and lower average interest rates.

Liquidity and Capital Resources

We have incurred net losses and net cash outflows from operating activities since our inception. To date, our available liquidity and operations have been financed primarily through the sale of redeemable convertible preferred stock, equity securities and to a lesser extent, debt financing. As of March 31, 2021, we had \$39.0 million of cash and cash equivalents and short-term investments of \$12.4 million. Although we are dependent on our ability to raise capital or generate sufficient cash flow from operations to achieve our business objectives, we believe our existing cash, cash equivalents, and short-term investments will be sufficient to meet our working capital and capital expenditure needs for at least the next twelve months. Future capital requirements will depend on many factors, including our rate of revenue growth, gross margin and the level of expenditures in all areas of the Company. To the extent that existing capital resources and sales growth are not sufficient to fund future activities, we will need to raise capital through additional equity or debt financing. Additional funds may not be available on terms favorable to us or at all. Failure to raise additional capital, if and when needed, could have a material adverse effect on our financial position, results of operations, and cash flows.

2021 Credit Facility

In April 2021, we entered into a first lien credit agreement (the “2021 Credit Facility”), with JPMorgan Chase Bank, N.A., as administrative agent and lender, and the other lenders party thereto, which provides for a \$35.0 million revolving credit facility maturing five years from the date of the 2021 Credit Facility. The 2021 Credit Facility includes a subfacility that provides for the issuance of letters of credit in an amount of up to \$10.0 million at any time outstanding.

The 2021 Credit Facility is subject to customary fees for loan facilities of this type, including a commitment fee based on the average daily undrawn portion of the revolving credit facility.

The interest rate applicable to the 2021 Credit Facility is, at our option, either (a) the LIBOR (or a replacement rate established in accordance with the terms of the 2021 Credit Facility) (subject to a 0.00% LIBOR floor), plus a margin of 1.50% or (b) the CB floating rate minus a margin of 0.50%. The CB floating rate is the highest of (a) the Wall Street Journal prime rate and (b)(i)2.50% plus (ii) the adjusted LIBOR rate for a one-month interest period.

The 2021 Revolving Facility terminates and borrowings thereunder, if any, will be due in full five years from the date of the 2021 Credit Facility.

Debt under the 2021 Credit Facility is guaranteed by substantially all of our material domestic subsidiaries and is secured by substantially all of our and such subsidiaries’ assets. The 2021 Credit Facility contains affirmative and negative covenants, indemnification provisions and events of default. Affirmative covenants include administrative, reporting and legal covenants, in each case subject to certain exceptions. The negative covenants restrict our ability, subject to customary exceptions, to, among other things: make restricted payments including dividends and distributions on, redemptions of, repurchases or retirement of our capital stock; restrict certain of our subsidiaries’ ability to engage in certain intercompany transactions with other subsidiaries that do not guarantee obligations under the 2021 Credit Facility; restrict our ability to incur additional indebtedness and issue certain types of equity; sell assets, including capital stock of subsidiaries; enter into certain transactions with affiliates; incur liens; enter into fundamental changes including mergers and consolidations; make investments, acquisitions, loans or advances; create negative pledges or restrictions on the payment of dividends or payment of other amounts owed from subsidiaries; make prepayments or modify documents governing material debt that is subordinated with respect to right of payment; engage in certain sale leaseback transactions; change our fiscal year; and change our lines of business. The 2021 Credit Facility also contains a financial covenant that requires us to maintain a total net leverage ratio of not more than 3.50:1.00 during the periods set forth in the 2021 Credit Facility. The total net leverage ratio is calculated as the ratio of (a) the sum of (i) total indebtedness minus (ii) up

to \$15.0 million of cash and cash equivalents minus (iii) obligations under build-to-suit capital leases to (b) consolidated EBITDA, which is defined in the 2021 Credit Facility. The 2021 Credit Facility also includes customary events of default, including failure to pay principal, interest or certain other amounts when due, material inaccuracy of representations and warranties, violation of covenants, specified cross-default and cross-acceleration to other material indebtedness, certain bankruptcy and insolvency events, certain events relating to the Employee Retirement Income Security Act of 1974, certain undischarged judgments, material invalidity of guarantees or grant of security interest, and change of control, in certain cases subject to certain thresholds and grace periods. If an event of default occurs and is continuing, lenders holding a majority of the commitments under the 2021 Credit Facility have the right to, among other things, (i) terminate the commitments under the 2021 Credit Facility, (ii) accelerate and require us to repay all the outstanding amounts owed under the 2021 Credit Facility and (iii) require us to cash collateralize any outstanding letters of credit. As of June 9, 2021, we were in compliance with all covenants under the 2021 Credit Facility.

Cash Flows

The following table summarizes our cash flows for the periods presented:

<i>(In thousands)</i>	For the three months ended March 31,	
	2021	2020
Net cash used in operating activities	\$ (11,964)	\$ (1,664)
Net cash provided by investing activities	\$ 21,786	\$ 18,740
Net cash used in financing activities	\$ (1,382)	\$ (233)

Operating Activities

Our largest source of operating cash is from the sales of our products through Digital and Retail channels to our consumers. Our primary uses of cash from operating activities are for cost of revenue expenses, selling, general and administrative expenses, marketing expenses and research and development expenses. We have generated negative cash flows from operating activities and have supplemented working capital requirements through net proceeds from the sale and maturity of short-term investments.

Net cash used in operating activities of \$12.0 million for the three months ended March 31, 2021 was primarily due to net loss of \$4.5 million, non-cash adjustments of \$3.0 million and a net decrease in cash related to changes in operating assets and liabilities of \$10.5 million. Non-cash adjustments primarily consisted of stock-based compensation of \$1.8 million and depreciation and amortization of \$1.1 million. Changes in cash flows related to operating assets and liabilities primarily consisted of a \$5.6 million use of cash due to the timing of payments associated with our accounts payable and operating leasing obligations and \$1.0 million use of cash due to timing of payments on prepaid expenses and other assets, as well as the non-monetary sale of our legacy beauty inventory for future marketing and transportation credits. These uses of cash were partially offset by \$4.9 million increase in accounts receivable due to increase in sales from retail customers and a \$0.9 million reduction in inventory due to timing of inventory purchases.

Net cash used in operating activities of \$1.7 million for the three months ended March 31, 2020 was primarily due to net income of \$0.6 million, non-cash adjustments of \$3.2 million and a net decrease in cash related to changes in operating assets and liabilities of \$5.4 million. Non-cash adjustments primarily consisted of stock-based compensation of \$1.9 million and depreciation and amortization of \$1.2 million. Changes in cash flows related to operating assets and liabilities primarily consisted of a \$9.6 million reduction in accounts receivable due to timing of cash collection from retail customers and a \$1.5 million use of cash due to timing of payments on prepaid expenses and other assets. This use of cash was partially offset by \$5.5 million in increase in inventory due to the timing of inventory purchases and \$0.4 million increase in accounts payable and operating leasing obligations due to the timing of associated payments.

Investing Activities

Our primary source of investing cash is the sale and maturity of short-term investments and our primary use of investing cash is the purchase of short-term investments and property and equipment.

Net cash provided by investing activities of \$21.8 million for the three months ended March 31, 2021 was due to proceeds from the sales and maturities of short-term investments of \$13.6 million and \$8.5 million, respectively, net of purchases of short-term investments of \$0.3 million and purchases of property and equipment of \$0.1 million.

Net cash provided by investing activities of \$18.7 million for the three months ended March 31, 2020 was due to maturities and sales of short-term investments of \$17.6 million and \$5.6 million, respectively, net of purchases of short-term investments of \$4.5 million.

Financing Activities

Our financing activities primarily consisted of payments of deferred offering cost, stock option awards exercises and principal payments of financing lease obligations.

Net cash used in financing activities of \$1.4 million for the three months ended March 31, 2021 primarily consisted of payments of deferred offering cost in connection with our IPO of \$1.1 million and principal payments of financing lease obligations of \$0.3 million.

Net cash used in financing activities of \$0.2 million for the three months ended March 31, 2020 primarily consisted of principal payments of financing lease obligations of \$0.2 million.

Dividends

In April 2021, our board of directors declared a cash dividend of \$35.0 million to the holders of record of our common stock and our redeemable convertible preferred stock as of May 3, 2021, which is payable no later than June 30, 2021 (the "2021 Dividend"). Other than the 2021 Dividend, we have not declared or paid cash dividends on our capital stock, and we do not anticipate declaring or paying any cash dividends other than the 2021 Dividend in the foreseeable future. Any future determination regarding the declaration and payment of dividends, if any, will be at the discretion of our board of directors and will depend on then-existing conditions, including our financial condition, operating results, contractual restrictions (including any restrictions in our then-existing debt arrangements), capital requirements, business prospects and other factors our board of directors may deem relevant. The 2021 Credit Facility contains restrictions on our ability to pay dividends.

Non-GAAP Financial Measure

We prepare and present our condensed consolidated financial statements in accordance with GAAP. However, management believes that adjusted EBITDA, a non-GAAP financial measure, provides investors with additional useful information in evaluating our performance.

We calculate adjusted EBITDA as net income (loss), adjusted to exclude: (1) interest and other (income) expense, net; (2) income tax provision; (3) depreciation and amortization; (4) stock-based compensation expense; (5) professional fees and expenses and executive termination expenses related to our Innovation Strategy; (6) litigation and settlement fees associated with certain non-ordinary course litigation; and (7) the IPO Bonuses, including associated payroll taxes and expenses, and third-party costs associated with our IPO.

Adjusted EBITDA is a financial measure that is not required by, or presented in accordance with GAAP. We believe that adjusted EBITDA, when taken together with our financial results presented in accordance with GAAP, provides meaningful supplemental information regarding our operating performance and facilitates internal comparisons of our historical operating performance on a more consistent basis by excluding certain items that may not be indicative of our business, results of operations or outlook. In particular, we believe that the use of adjusted EBITDA is helpful to our investors as it is a measure used by management in assessing the health of our business, determining incentive compensation and evaluating our operating performance, as well as for internal planning and forecasting purposes.

Adjusted EBITDA is presented for supplemental informational purposes only, has limitations as an analytical tool and should not be considered in isolation or as a substitute for financial information presented in accordance with GAAP. Some of the limitations of adjusted EBITDA include that (1) it does not reflect capital commitments to be paid in the future, (2) although depreciation and amortization are non-cash charges, the underlying assets may need to be replaced and adjusted EBITDA does not reflect these capital expenditures, (3) it does not consider the impact of stock-based compensation expense, (4) it does not reflect other non-operating expenses, including interest expense, (5) it does not include the IPO Bonuses, including associated payroll taxes and expenses, or third-party costs associated with the preparation of the IPO, (6) it does not reflect tax payments that may represent a reduction in cash available to us, and (7) does not include certain non-ordinary cash expenses that we do not believe are representative of our business on a steady-state basis. In addition, our use of adjusted EBITDA may not be comparable to similarly titled measures of other companies because they may not calculate adjusted EBITDA in the same manner, limiting its usefulness as a comparative measure. Because of these limitations, when evaluating our performance, you should consider adjusted EBITDA alongside other financial measures, including our net income (loss) and other results stated in accordance with GAAP.

The following table presents a reconciliation of net income (loss), the most directly comparable financial measure stated in accordance with GAAP, to adjusted EBITDA, for each of the periods presented:

<i>(In thousands)</i>	For the three months ended March 31,	
	2021	2020
Reconciliation of Net Income (Loss) to Adjusted EBITDA		
Net income (loss)	\$ (4,484)	\$ 559
Interest and other (income) expense, net	327	159
Income tax provision	22	22
Depreciation and amortization	1,090	1,229
Stock-based compensation	1,838	1,923
Innovation Strategy expenses ⁽¹⁾	—	571
Related IPO costs and other transaction-related expenses ⁽²⁾	1,075	—
Adjusted EBITDA	<u>\$ (132)</u>	<u>\$ 4,463</u>

⁽¹⁾ Includes professional fees and expenses and executive severance and termination expenses related to our Innovation Strategy.

⁽²⁾ Includes related IPO costs and other transaction-related third-party expenses, which are generally incremental costs incurred associated with the preparation of the IPO.

Contractual Obligations and Commitments

There have been no material changes to our contractual obligations from those described in the Prospectus.

Off-Balance Sheet Arrangements

We did not have during the periods presented, and we do not currently have, any off-balance sheet financing arrangements or any relationships with unconsolidated entities or financial partnerships, including entities sometimes referred to as structured finance or special purpose entities, that were established for the purpose of facilitating off-balance sheet arrangements or other contractually narrow or limited purposes.

Critical Accounting Policies and Estimates

Our condensed consolidated financial statements and the related notes thereto included elsewhere in this Quarterly Report on Form 10-Q are prepared in accordance with GAAP. The preparation of consolidated financial statements requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, costs and expenses and related disclosures. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances. Actual results could differ significantly from our estimates. To the extent that there are differences between our estimates and actual results, our future financial statement presentation, financial condition, results of operations and cash flows will be affected.

Our critical accounting policies are described under the heading “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Critical Accounting Policies and Estimates” in the Prospectus and the notes to the audited consolidated financial statements appearing elsewhere in the Prospectus. During the three months ended March 31, 2021, there were no material changes to our critical accounting policies from those discussed in our Prospectus.

Recent Accounting Pronouncements

Refer to Note 2 to our condensed consolidated financial statements included in this Quarterly Report on Form 10-Q for a discussion of recently issued accounting pronouncements not yet adopted.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

We are exposed to market risks in the ordinary course of our business. Market risk represents the risk of loss that may impact our financial position due to adverse changes in financial market prices and rates. Our market risk exposure is primarily the result of fluctuations in interest rates and foreign currency exchange rates.

Interest Rate Risk

We had cash and cash equivalents of \$39.0 million and current and long-term restricted cash of \$6.6 million as of March 31, 2021, which consisted of bank accounts and money market funds. We had short-term investments of \$12.4 million as of March 31, 2021, which consisted of commercial paper, certificates of deposit, corporate bonds and U.S. government and agency securities. Interest-earning instruments carry a degree of interest rate risk. We do not enter into investments for trading or speculative purposes and have not used any derivative financial instruments to manage our interest rate risk exposure. Due to the short-term nature of our investments, we have not been exposed to, nor do we anticipate being exposed to, material risks due to changes in interest rates. A hypothetical 10% change in interest rates would not result in a material impact on our condensed consolidated financial statements.

We are also subject to interest rate risk in connection with our 2021 Credit Facility. See the section titled “—Liquidity and Capital Resources—2021 Credit Facility” above. Based on the average interest rate on the instruments under the 2021 Credit Facility during the three months ended March 31, 2021, and to the extent that borrowings were outstanding, we do not believe that a hypothetical 10% change in the interest rate would have a material effect on our results of operations or financial condition for the three months ended March 31, 2021.

Foreign Currency Exchange Risk

Our reporting currency is the U.S. dollar. Gains or losses due to transactions in foreign currencies are reflected in the condensed consolidated statements of comprehensive income (loss) under the line item interest and other income (expense), net. We have not engaged in the hedging of foreign currency transactions to date, although we may choose to do so in the future. We do not believe that an immediate 10% increase or decrease in the relative value of the U.S. dollar to other currencies would have a material effect on our condensed consolidated financial statements.

Inflation Risk

We do not believe that inflation has had a material effect on our business, results of operations or financial condition. If our costs were to become subject to significant inflationary pressures, we may not be able to fully offset such higher costs through price increases. Our inability or failure to do so could harm our business, results of operations and financial condition.

Emerging Growth Company Status

In April 2012, the JOBS Act was enacted. Section 107(b) of the JOBS Act provides that an emerging growth company can take advantage of an extended transition period for complying with new or revised accounting standards. Thus, an emerging growth company can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We have elected to take advantage of the extended transition period to comply with new or revised accounting standards and to adopt certain of the reduced disclosure requirements available to emerging growth companies. As a result of the accounting standards election, we will not be subject to the same implementation timing for new or revised accounting standards as other public companies that are not emerging growth companies which may make comparison of our financials to those of other public companies more difficult.

Item 4. Controls and Procedures.

Evaluation of Disclosure Controls and Procedures

We maintain “disclosure controls and procedures,” as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, or the Exchange Act, that are designed to ensure that information required to be disclosed in the reports that we file or submit under the Exchange Act is (1) recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules and forms and (2) accumulated and communicated to our management, including our principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure. Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated, as of the period ended March 31, 2021, the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Based on that evaluation, our principal executive officer and principal financial officer concluded that, as of such date, our disclosure controls and procedures were effective at the reasonable assurance level.

Changes in Internal Control over Financial Reporting

There was no change in the Company’s internal control over financial reporting that occurred during the Company’s first quarter of 2021 that has materially affected, or is reasonably likely to materially affect the Company’s internal control over financial reporting.

Limitations on Effectiveness of Controls and Procedures

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls and procedures relative to their costs.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

The information contained under the heading “Litigation” in Note 8 to our condensed consolidated financial statements included in this Quarterly Report on Form 10-Q is incorporated by reference into this Item.

Item 1A. Risk Factors.

There have been no material changes to the risk factors set forth in the section titled “Risk Factors” included in our prospectus, dated May 4, 2021, filed with the Securities and Exchange Commission (“SEC”) in accordance with Rule 424(b) of the Securities Act on May 6, 2021 (the “Prospectus”) in connection with our initial public offering (“IPO”). Our business involves significant risks. You should carefully consider the risks and uncertainties described in our Prospectus, together with all of the other information in this Quarterly Report on Form 10-Q, as well as our audited consolidated financial statements and related notes as disclosed in our Prospectus. The risks and uncertainties described in our Prospectus are not the only ones we face. Additional risk and uncertainties that we are unaware of or that we deem immaterial may also become important factors that adversely affect our business. The realization of any of these risks and uncertainties could have a material adverse effect on our reputation, business, financial condition, results of operations, growth and future prospects as well as our ability to accomplish our strategic objectives. In that event, the market price of our common stock could decline and you could lose part or all of your investment.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

(a) Recent Sales of Unregistered Equity Securities

Restricted Stock Unit Awards

In February 2021, we granted 200,000 RSUs to one of our officers, of which 80,000 RSUs will vest over a period of four years based on continued service and 120,000 RSUs will vest one year after the occurrence of a liquidity event, including an IPO. The grant-date fair value of this award was \$2.0 million. In conjunction with the IPO, we recognized stock-based compensation expense of \$0.2 million related to these RSUs.

On May 4, 2021, we granted an aggregate of 23,124 RSUs with an aggregate value of \$370,000 to two of our non-employee directors in connection with our IPO, which will vest in three equal annual installments on the one-, two- and three-year anniversaries of the grant date, subject to the non-employee director’s continued service on each vesting date. We also granted an aggregate of 87,143 RSUs with an aggregate value of \$1.4 million to our seven non-employee directors, which will vest as to 1/13th of each such grant on June 1, 2021, and as to 12/13th of each such grant on the earlier of (i) the date immediately prior to the annual meeting of our stockholders next following the grant date of each such grant and (ii) June 1, 2022, subject to the non-employee director’s continued service through each vesting date. Each non-employee director may elect to defer the delivery of shares in settlement of any restricted stock unit award granted under the terms of our Non-Employee Director Compensation Policy (the “Policy”) that would otherwise be delivered to such non-employee director on or following the date such award vests pursuant to the terms of a deferral election such non-employee director makes in accordance with the Policy.

Common Stock Issued Upon Conversion of Preferred Stock

Immediately prior to the completion of the IPO, 49,100,928 outstanding shares of redeemable convertible preferred stock with a carrying value of \$376.4 million converted into 49,649,023 shares of common stock. Immediately prior to the completion of the IPO, we filed an Amended and Restated Certificate of Incorporation, which authorized a total of 1,000,000,000 shares of common stock and 20,000,000 shares of preferred stock. Upon the filing of the Amended and Restated Certificate of Incorporation, 49,100,928 shares of our redeemable convertible preferred stock then outstanding were automatically converted into 49,649,023 shares of our common stock. The issuance of such shares of our common stock was exempt from registration under Section 3(a)(9) of the Securities Act.

(b) Use of Proceeds

On May 4, 2021, our Registration Statement on Form S-1, as amended (File No. 333-255150) was declared effective in connection with our IPO, pursuant to which we issued and sold an aggregate of 6,451,613 shares of our common stock, and certain existing stockholders sold an aggregate of 23,226,437 shares of our common stock, including the full exercise of the underwriters’ option to purchase additional shares, at a price to the public of \$16.00 per share. Morgan Stanley & Co. LLC, J.P. Morgan Securities LLC and Jefferies LLC acted as representatives of the underwriters for the offering.

The IPO closed May 7, 2021. We received net proceeds of approximately \$91.1 million, after deducting underwriting discounts and commissions of \$6.7 million and offering expenses of \$5.4 million. No payments for such expenses were made

directly or indirectly to (i) any of our officers or directors or their associates, (ii) any persons owning 10% or more of any class of our equity securities or (iii) any of our affiliates.

The net proceeds from our IPO have been invested in investment grade, interest-bearing instruments. There has been no material change in the expected use of the net proceeds from our IPO as described in our Prospectus.

“Benchmark” means, initially, LIBO Rate; provided that if a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred with respect to LIBO Rate or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to clause (c) or clause (d) of Section 2.14.

“Benchmark Replacement” means, for any Available Tenor, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Benchmark Replacement Date:

(1) the sum of (a) Term SOFR and (b) the related Benchmark Replacement Adjustment;

(2) the sum of (a) Daily Simple SOFR and (b) the related Benchmark Replacement Adjustment;

(3) the sum of: (a) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower Representative as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for dollar-denominated syndicated credit facilities at such time and (b) the related Benchmark Replacement Adjustment;

provided that, in the case of clause (1), such Unadjusted Benchmark Replacement is displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion; provided further that, notwithstanding anything to the contrary in this Agreement or in any other Loan Document, upon the occurrence of a Term SOFR Transition Event, and the delivery of a Term SOFR Notice, on the applicable Benchmark Replacement Date the “Benchmark Replacement” shall revert to and shall be deemed to be the sum of (a) Term SOFR and (b) the related Benchmark Replacement Adjustment, as set forth in clause (1) of this definition (subject to the first proviso above).

If the Benchmark Replacement as determined pursuant to clause (1), (2) or (3) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement:

(1) for purposes of clauses (1) and (2) of the definition of “Benchmark Replacement,” the first alternative set forth in the order below that can be determined by the Administrative Agent:

(a) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for the applicable Corresponding Tenor;

(b) the spread adjustment (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that would apply to the fallback rate for a derivative transaction referencing the ISDA

Definitions to be effective upon an index cessation event with respect to such Benchmark for the applicable Corresponding Tenor; and

(2) for purposes of clause (3) of the definition of “Benchmark Replacement,” the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower Representative for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for dollar-denominated syndicated credit facilities;

provided that, in the case of clause (1) above, such adjustment is displayed on a screen or other information service that publishes such Benchmark Replacement Adjustment from time to time as selected by the Administrative Agent in its reasonable discretion.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “CB Floating Rate”, the definition of “Business Day,” the definition of “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent decides in its reasonable discretion may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof);

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein;

(3) in the case of a Term SOFR Transition Event, the date that is thirty (30) days after the date a Term SOFR Notice is provided to the Lenders and the Borrower pursuant to Section 2.14(d); or

(4) in the case of an Early Opt-in Election, the sixth (6th) Business Day after the date notice of such Early Opt-in Election is provided to the Lenders, so long as the Administrative Agent has not received, by 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Early Opt-in Election is provided to the Lenders, written notice of objection to such Early Opt-in Election from Lenders comprising the Required Lenders.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder

SECTION 1.05. Interest Rates; LIBOR Notification. The interest rate on Eurodollar Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurodollar Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, Section 2.14(c) and (d) provide the mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower Representative, pursuant to Section 2.14(f), of any change to the reference rate upon which the interest rate on Eurodollar Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(c) or (d), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(e)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

SECTION 1.06. Pro Forma Adjustments for Acquisitions and Dispositions. To the extent a Borrower or any Subsidiary makes any acquisition permitted pursuant to Section 6.04 or Disposition outside the ordinary course of business permitted by Section 6.05 during the period of four fiscal quarters of the Company most recently ended, the Total Net Leverage Ratio shall be calculated after giving pro forma effect thereto (including pro forma adjustments arising out of events which are directly attributable to the acquisition or the Disposition, are factually supportable and are expected to have a continuing impact, in each case as determined on a basis consistent with Article 11 of Regulation S-X of the Securities Act of 1933, as amended, as interpreted by the SEC, and as certified by a Financial Officer of such Borrower), as if such acquisition or such Disposition (and any related incurrence, repayment or assumption of Indebtedness) had occurred in the first day of such four-quarter period.

SECTION 1.07. Status of Obligations. In the event that any Borrower or any other Loan Party shall at any time issue or have outstanding any Subordinated Indebtedness, such Borrower shall take or cause such other Loan Party to take all such actions as shall be necessary to cause the Secured Obligations to constitute senior indebtedness (however denominated) in respect of such Subordinated Indebtedness and to enable the Administrative Agent and the Lenders to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness. Without limiting the foregoing, the Secured Obligations are hereby designated as “senior indebtedness” and as “designated senior indebtedness” and words of similar import

under and in respect of any indenture or other agreement or instrument under which such Subordinated Indebtedness is outstanding and are further given all such other designations as shall be required under the terms of any such Subordinated Indebtedness in order that the Lenders may have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness.

SECTION 1.08. Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of such Letter of Credit available to be drawn at such time; provided that with respect to any Letter of Credit that, by its terms or the terms of any Letter of Credit Agreement related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time. For all purposes of this Agreement, if on any date of determination a Letter of Credit has expired by its terms but any amount may still be drawn thereunder by reason of the operation of Article 29(a) of the Uniform Customs and Practice for Documentary Credits, International Chamber of Commerce Publication No. 600 (or such later version thereof as may be in effect at the applicable time) or Rule 3.13 or Rule 3.14 of the International Standby Practices, International Chamber of Commerce Publication No. 590 (or such later version thereof as may be in effect at the applicable time) or similar terms of the Letter of Credit itself, or if compliant documents have been presented but not yet honored, such Letter of Credit shall be deemed to be “outstanding” and “undrawn” in the amount so remaining available to be paid, and the obligations of the Borrower and each Lender shall remain in full force and effect until the Issuing Bank and the Lenders shall have no further obligations to make any payments or disbursements under any circumstances with respect to any Letter of Credit.

SECTION 1.09. Divisions. For all purposes under the Loan Documents, in connection with any Division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.10. Rounding. Any financial ratios required to be maintained by any Loan Party pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Within the foregoing limits and

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Revolving Borrowing shall be comprised entirely of CBFR Loans or Eurodollar Loans as the Borrower Representative may request in accordance herewith, provided that all Revolving Borrowings made on the Effective Date must be made as CBFR Borrowings but may be converted into Eurodollar Borrowings in accordance with Section 2.08. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Revolving Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$500,000. CBFR Revolving Borrowings may be in any amount; provided that an CBFR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the total Revolving Commitments or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e); provided that there shall not at any time be more than a total of four (4) Eurodollar Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Revolving Credit Maturity Date.

SECTION 2.03. Requests for Borrowings To request a Borrowing, the Borrower Representative shall notify the Administrative Agent of such request either in writing (delivered by hand or fax) by delivering a Borrowing Request signed by a Responsible Officer of the Borrower Representative or through Electronic System, if arrangements for doing so have been approved by the Administrative Agent, (a) in the case of a Eurodollar Borrowing, not later than noon, Pacific time, three Business Days before the date of the proposed Borrowing or (b) in the case of an CBFR Borrowing, not later than noon, Pacific time, on the date of the proposed Borrowing; provided that any such notice of an CBFR Revolving Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e) may be given not later than 9:00 a.m., Pacific time, on the date of the proposed Borrowing. If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an CBFR Borrowing. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. [Reserved]

SECTION 2.06. Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower Representative, on behalf of a Borrower, may request any Issuing Bank to issue Letters of Credit denominated in dollars as the applicant thereof for the support of the obligations of any Borrower or any Subsidiary thereof, in a form reasonably acceptable to such Issuing Bank, at any time and from time to time during the Availability Period, and such Issuing Bank may, but shall have no obligation, to issue such requested Letters of Credit pursuant to this Agreement.

(b) Notice of Issuance, Amendment, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment or extension of an outstanding Letter of Credit), the Borrower Representative shall hand deliver or fax (or transmit through Electronic System, if arrangements for doing so have been approved by the respective Issuing Bank) to an Issuing Bank selected by it and to the Administrative Agent (reasonably in advance of the requested date of issuance, amendment or extension, but in any event no less than three Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof, and such other information as shall be necessary to prepare, amend or extend such Letter of Credit. In addition, as a condition to any such Letter of Credit issuance, the applicable Borrower shall have entered into a continuing agreement (or other letter of credit agreement) for the issuance of letters of credit and/or shall submit a letter of credit application, in each case, as required by the respective Issuing Bank and using such Issuing Bank's standard form (each, a "Letter of Credit Agreement"). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any Letter of Credit Agreement, the terms and conditions of this Agreement shall control. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension the aggregate LC Exposure shall not exceed \$10,000,000, (i) no

Revolving Lender's Revolving Exposure shall exceed its Revolving Commitment and (ii) the Aggregate Revolving Exposure shall not exceed the aggregate Revolving Commitments. Notwithstanding the foregoing or anything to the contrary contained herein, no Issuing Bank shall be obligated to issue or modify any Letter of Credit if, immediately after giving effect thereto, the outstanding LC Exposure in respect of all Letters of Credit issued by such Person and its Affiliates would exceed such Issuing Bank's Issuing Bank Sublimit. Without limiting the foregoing and without affecting the limitations contained herein, it is understood and agreed that the Borrower Representative may from time to time request that an Issuing Bank issue Letters of Credit in excess of its individual Issuing Bank Sublimit in effect at the time of such request, and the Issuing Bank agrees to consider any such request in good faith. Any Letter of Credit so issued by an Issuing Bank in excess of its individual Issuing Bank Sublimit then in effect shall nonetheless constitute a Letter of Credit for all purposes of the Credit Agreement, and shall not affect the Issuing Bank Sublimit of any other Issuing Bank, subject to the limitations on the aggregate LC Exposure set forth in clause (i) of this Section 2.06(b).

An Issuing Bank shall not be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Requirement of Law relating to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, or

(ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination or non-renewal by notice from the applicable Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any extension of the expiration thereof, including, without limitation, any automatic renewal provision, one year after such extension) and (ii) the date that is five Business Days prior to the Revolving Credit Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Revolving Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the respective Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrowers on the date due as provided in paragraph (e) of this Section, or of

any reimbursement payment required to be refunded to the Borrowers for any reason, including after the Maturity Date. Each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrowers shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 11:00 a.m., Pacific time, on (i) the Business Day that the Borrower Representative receives notice of such LC Disbursement, if such notice is received prior to 9:00 a.m., Pacific time, on the day of receipt, or (ii) the Business Day immediately following the day that the Borrower Representative receives such notice, if such notice is received after 9:00 a.m., Pacific time, on the day of receipt; provided that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with a CBFR Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrowers' obligation to make such payment shall be discharged and replaced by the resulting CBFR Revolving Borrowing. If the Borrowers fail to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrowers in respect thereof, and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrowers, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the respective Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrowers pursuant to this paragraph, the Administrative Agent shall distribute such payment to the respective Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank, as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of CBFR Revolving Loans as contemplated above) shall not constitute a Loan and shall not relieve the Borrowers of their obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' joint and several obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) any payment by the respective Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations

hereunder. Neither the Administrative Agent, the Revolving Lenders nor any Issuing Bank, or any of their respective Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of the respective Issuing Bank; provided that the foregoing shall not be construed to excuse an Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by any Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The Issuing Bank for any Letter of Credit shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. Such Issuing Bank shall promptly after such examination notify the Administrative Agent and the Borrower Representative by telephone (confirmed by fax or through Electronic Systems) of such demand for payment if such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If the Issuing Bank for any Letter of Credit shall make any LC Disbursement, then, unless the Borrowers shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrowers reimburse such LC Disbursement, at the rate per annum then applicable to CBR Revolving Loans and such interest shall be due and payable on the date when such reimbursement is due; provided that, if the Borrowers fail to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank for such LC Disbursement shall be for the account of such Lender to the extent of such payment.

(i.) Replacement and Resignation of an Issuing Bank.

(i) An Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit or extend or otherwise amend any existing Letter of Credit.

(ii) Subject to the appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower Representative and the Lenders, in which case, such resigning Issuing Bank shall be replaced in accordance with Section 2.06(i)(i) above.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower Representative receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the aggregate LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "LC Collateral Account"), an amount in cash equal to 103% of the amount of the LC Exposure as of such date plus accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause (h) or (i) of Article VII. The Borrowers also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Sections 2.11(b) or 2.20. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations. In addition, and without limiting the foregoing or paragraph (c) of this Section, if any LC Exposure remains outstanding after the expiration date specified in said paragraph (c), the Borrowers shall immediately deposit in the LC Collateral Account an amount in cash equal to 103% of such LC Exposure as of such date plus any accrued and unpaid interest thereon. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the LC Collateral Account and the Borrowers hereby grant the Administrative Agent a security interest in the LC Collateral Account and all moneys or other assets on deposit therein or credited thereto. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrowers' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be

applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed, together with related fees, costs, and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the aggregate LC Exposure), be applied to satisfy other Secured Obligations. If the Borrowers are required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers within three (3) Business Days after all such Events of Default have been cured or waived as confirmed in writing by the Administrative Agent.

(k) Letters of Credit Issued for Account of Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary, or states that a Subsidiary is the “account party,” “applicant,” “customer,” “instructing party,” or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Issuing Bank (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Borrowers (i) shall reimburse, indemnify and compensate the applicable Issuing Bank hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of such Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. Each Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries inures to the benefit of such Borrower, and that such Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

(l) Existing Letters of Credit. All Existing Letters of Credit shall be deemed to have been issued pursuant to this Agreement and from and after the Effective Date shall be subject to and governed by the terms and conditions of this Agreement, including without limitation Section 2.12(b).

SECTION 2.07. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by such Lender hereunder on the proposed date thereof solely by wire transfer of immediately available funds by (i) 1:00 p.m., Pacific time, in the case of Eurodollar Loans and (ii) 3:00 p.m., Pacific time, in the case of CBFR Loans, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender’s Applicable Percentage. The Administrative Agent will make such Loans available to the Borrower Representative by promptly crediting the funds so received in the aforesaid account of the Administrative Agent to the Funding Account(s); provided that CBFR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with

paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers each severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to CBFR Revolving Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing; provided, that any interest received from the Borrowers by the Administrative Agent during the period beginning when Administrative Agent funded the Borrowing until such Lender pays such amount shall be solely for the account of the Administrative Agent.

SECTION 2.08. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower Representative may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower Representative may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify the Administrative Agent of such election either in writing (delivered by hand or fax) by delivering an Interest Election Request signed by a Responsible Officer of the Borrower Representative or through Electronic System, if arrangements for doing so have been approved by the Administrative Agent, by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable.

(c) Each Interest Election Request (including requests submitted through Electronic System) shall specify the following information in compliance with Section 2.02:

(i) the name of the applicable Borrower and the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an CBFR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an CBFR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower Representative, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an CBFR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09. Termination and Reduction of Commitments.

(a) Unless previously terminated, all the Revolving Commitments shall terminate on the Revolving Credit Maturity Date.

(b) The Borrowers may at any time terminate the Revolving Commitments upon the Payment in Full of the Secured Obligations.

(c) The Borrowers may from time to time reduce the Revolving Commitments; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$100,000 and not less than \$500,000 and (ii) the Borrowers shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, (A) any Lender's Revolving Exposure would exceed such Lender's Revolving Commitment or (B) the Aggregate Revolving Exposure would exceed the aggregate Revolving Commitments.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice

to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent.

SECTION 2.10. Repayment and Amortization of Loans; Evidence of Debt.

(a) The Borrowers hereby unconditionally promise to pay to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan on the Revolving Credit Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, if any, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement. For the avoidance of doubt, in the event of any conflict between the accounts maintained pursuant to this Section 2.10 and the Register maintained in accordance with Section 9.04(b)(iv), the Register shall control.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

SECTION 2.11. Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (c) of this Section and, if applicable, payment of any break funding expenses under Section 2.16.

(b) In the event and on such occasion that the Aggregate Revolving Exposure exceeds the aggregate Revolving Commitments, the Borrowers shall prepay the Revolving Loans, LC Exposure (or, if no such Borrowings are outstanding, deposit cash collateral in the LC Collateral Account in an aggregate amount equal to such excess, in accordance with Section 2.06(j)).

(c) The Borrower Representative shall notify the Administrative Agent by telephone (confirmed by fax) or through Electronic System, if arrangements for doing so have been approved by the Administrative Agent, of any prepayment under this Section: (i) in the case of prepayment of a Eurodollar Borrowing, not later than 10:00 a.m., Pacific time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an CBFR Borrowing, not later than 10:00 a.m., Pacific time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to Section 2.16.

SECTION 2.12. Fees.

(a) The Borrowers agree to pay to the Administrative Agent a commitment fee for the account of each Revolving Lender, which shall accrue at the Applicable Rate on the daily amount of the undrawn portion of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Lenders' Revolving Commitments terminate; it being understood that the LC Exposure of a Lender shall be included in the drawn portion of the Revolving Commitment of such Lender for purposes of calculating the commitment fee. Accrued commitment fees shall be payable in arrears on the third Business Day following such last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrowers agree to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in each outstanding Letter of Credit, which shall accrue on the daily maximum amount then available to be drawn under such Letter of Credit at the Applicable Rate, during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank for its own account a fronting fee with respect to each Letter of Credit issued by such Issuing Bank, which shall accrue at the rate or rates per annum separately agreed upon between the Borrowers and the Issuing Bank on the daily maximum amount then available to be drawn under such Letter of Credit, during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank's standard fees and commissions with respect to the issuance, amendment or extension of any Letter of Credit and other processing fees, and other standard costs and charges, of such Issuing Bank relating to Letters of Credit as from time to time in effect.

Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in dollars in immediately available funds, to the Administrative Agent (or to the Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Loans comprising each CBFR Borrowing shall bear interest at the CB Floating Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, during the occurrence and continuance of an Event of Default, the Administrative Agent or the Required Lenders may, at their option, by notice to the Borrower Representative (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 9.02 requiring the consent of "each Lender affected thereby" for reductions in interest rates), declare that (i) all Loans shall bear interest at 2% plus the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount outstanding hereunder, such amount shall accrue at 2% plus the rate applicable to such fee or other obligation as provided hereunder.

(d) Accrued interest on each Loan (for CBFR Loans, accrued through the last day of the prior calendar month) shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an CBFR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the CB Floating Rate shall be computed on the basis

of a year of 365 days (or 366 days in a leap year), and, in each case, shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable CB Floating Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest; Illegality.

(a) Subject to clauses (c), (d), (e), (f), (g) and (h) of this Section 2.14, if prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including, without limitation, by means of an Interpolated Rate or because the LIBO Screen Rate is not available or published on a current basis) for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower Representative and the Lenders through Electronic System as provided in Section 9.01 as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and any such Eurodollar Borrowing shall be repaid or converted into a CBFR Borrowing on the last day of the then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as a CBFR Borrowing.

(b) If any Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, fund or continue any Eurodollar Borrowing, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower Representative through the Administrative Agent, any obligations of such Lender to make, maintain, fund or continue Eurodollar Loans or to convert CBFR Borrowings to Eurodollar Borrowings will be suspended until such Lender notifies the Administrative Agent and the Borrower Representative that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers will upon demand from such Lender (with a copy to the Administrative Agent), either prepay or convert all Eurodollar Borrowings of such Lender to CBFR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers will also pay accrued interest on the amount so prepaid or converted.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, (and any Swap Agreement shall be deemed not to be a “Loan Document” for purposes of this Section 2.14), if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(d) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (d) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower Representative a Term SOFR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.

(e) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(f) The Administrative Agent will promptly notify the Borrower Representative and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest

error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(g) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(h) Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrowers may revoke any request for a Eurodollar Borrowing of, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for a Borrowing of or conversion to CBFR Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of CBFR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of CBFR.

SECTION 2.15 Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or the Issuing Bank; or

(ii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan (or of maintaining its obligation to make

any such Loan) or to increase the cost to such Lender, the Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, the Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then, upon request of such Lender, Issuing bank or other Recipient, the Borrowers will pay to such Lender, the Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, the Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or the Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower Representative and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.09(d) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19 or 9.02(d), then, in any such event, the Borrowers shall compensate each Lender for the loss,

cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Eurodollar Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Eurodollar Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Eurodollar Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower Representative and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17. Withholding of Taxes; Gross-Up.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment, or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Loan Party by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Administrative Agent as will enable the Borrower Representative or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that any Borrower is a U.S. Person,

(A) any Lender (or, if the Lender is a disregarded entity for U.S. federal income Tax purposes, the Person treated as the owner of the assets of such Lender for U.S. federal income Tax purposes) that is a U.S. Person shall deliver to each of the Borrower Representative and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to each of the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor thereto), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI (or any successor thereto);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor thereto), as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY (or any successor thereto), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to each of the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower Representative or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable

reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agent as may be necessary for the Borrower Representative and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Status of Administrative Agent. If the Administrative Agent is a U.S. Person, then, upon the written request of the Borrower Representative, it shall provide the Borrower Representative with a properly completed and duly executed copy of IRS Form W-9 confirming that the Administrative Agent is exempt from U.S. federal backup withholding. If the Administrative Agent is not a U.S. Person, then, upon the written request of the Borrower Representative, it shall provide the Borrower Representative with, (i) with respect to payments made to the Administrative Agent for its own account, a properly completed and duly executed IRS Form W-8ECI (or other applicable IRS Form W-8), and (ii) with respect to payments made to the Administrative Agent on behalf of any Lender, a properly completed and duly executed IRS Form W-8IMY (accompanied by any required certification documents from each beneficial owner, as applicable) confirming that it is entitled to receive such payments without U.S. federal withholding.

(i) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document (including the Payment in Full of the Secured Obligations).

(j) Defined Terms. For the avoidance of doubt, for purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocation of Proceeds; Sharing of Setoffs.

(a) The Borrowers shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Pacific time, on the date when due or the date fixed for any prepayment hereunder, in immediately available funds, without setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 10 South Dearborn Chicago, Illinois, except payments to be made directly to the Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Unless otherwise provided for herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) All payments and any proceeds of Collateral received by the Administrative Agent (i) not constituting either (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrowers), or (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent and the Issuing Bank from the Borrowers (other than in connection with Banking Services Obligations or Swap Agreement Obligations), second, to pay any fees, indemnities, or expense reimbursements then due to the Lenders from the Borrowers (other than in connection with Banking Services Obligations or Swap Agreement Obligations), third, to pay interest then due and payable on the Loans ratably, fourth, to prepay principal on the Loans and unreimbursed LC Disbursements to pay an amount to the Administrative Agent equal to one hundred three percent (103%) of the aggregate LC Exposure, to be held as cash collateral for such Obligations, and to pay any amounts owing in respect of Swap Agreement Obligations and Banking Services Obligations up to and including the amount most recently provided to the Administrative Agent pursuant to Section 2.22, ratably and fifth, to the payment of any other Secured Obligation due to the Administrative Agent or any Lender from the Borrowers or any other Loan Party. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower Representative, or unless a Default is in existence, neither the Administrative Agent nor any Lender shall apply any payment which it receives to any Eurodollar Loan of a Class, except (i) on the expiration date of the Interest Period

applicable thereto, or (ii) in the event, and only to the extent, that there are no outstanding CBF Loans of the same Class and, in any such event, the Borrowers shall pay the break funding payment required in accordance with Section 2.16. The Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Secured Obligations.

Notwithstanding the foregoing, Secured Obligations arising under Banking Services Obligations or Swap Agreement Obligations shall be excluded from the application described above and paid in clause fifth if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may have reasonably requested from the applicable provider of such Banking Services or Swap Agreements.

(c) At the election of the Administrative Agent, all payments of principal, interest, LC Disbursements, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees, costs and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder, whether made following a request by the Borrower Representative pursuant to Section 2.03 or 2.05 or a deemed request as provided in this Section or may be deducted from any deposit account of the Borrowers maintained with the Administrative Agent. The Borrowers hereby irrevocably authorize (i) the Administrative Agent to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agree that all such amounts charged shall constitute Loans, and that all such Borrowings shall be deemed to have been requested pursuant to Sections 2.03 or 2.05, as applicable, and (ii) the Administrative Agent to charge any deposit account of any Borrower maintained with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) If, except as otherwise expressly provided herein, any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other similarly situated Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrowers or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received, prior to any date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank pursuant to the terms hereof or any other Loan Document (including any date that is fixed for prepayment by notice from the Borrower Representative to the Administrative Agent pursuant to Section 2.11(c)), notice from the Borrower Representative that the Borrowers will not make such payment or prepayment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) The Administrative Agent may from time to time provide the Borrowers with account statements or invoices with respect to any of the Secured Obligations (the "Statements"). The Administrative Agent is under no duty or obligation to provide Statements, which, if provided, will be solely for the Borrowers' convenience. Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other Secured Obligations. If the Borrowers pay the full amount indicated on a Statement on or before the due date indicated on such Statement, the Borrowers shall not be in default of payment with respect to the billing period indicated on such Statement; provided, that acceptance by the Administrative Agent, on behalf of the Lenders, of any payment that is less than the total amount actually due at that time (including but not limited to any past due amounts) shall not constitute a waiver of the Administrative Agent's or the Lenders' right to receive payment in full at another time.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or requires the Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of Borrower Representative) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Sections 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with paragraph (a) of this Section, or if any Lender is a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions

contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent (and in circumstances where its consent would be required under Section 9.04, the Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower Representative, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20. Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Revolving Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.18(b) or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder; third, to cash collateralize the Issuing Banks' LC Exposure with respect to such Defaulting Lender in accordance with this Section; fourth, as the Borrower Representative may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower Representative, to be held in a deposit account and

released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize the Issuing Banks' future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrowers' obligations corresponding to such Defaulting Lender's LC Exposure are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(c) such Defaulting Lender shall not have the right to vote on any issue on which voting is required (other than to the extent expressly provided in Section 9.02(b)) and the Commitment and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder or under any other Loan Document; provided that, except as otherwise provided in Section 9.02, this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender directly affected thereby;

(d) if any LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only (x) to the extent that such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Revolving Exposure to exceed its Revolving Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one (1) Business Day following notice by the Administrative Agent (cash collateralize, for the benefit of the Issuing Bank, the Borrowers' obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with

the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(e) so long as such Lender is a Defaulting Lender, the Issuing Bank shall not be required to issue, amend, renew, extend or increase any Letter of Credit, unless it is satisfied that the related exposure and such Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrowers in accordance with Section 2.20(d), and LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.20(d)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to the Parent of any Lender shall occur following the date hereof and for so long as such event shall continue or (ii) the Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Issuing Bank, as the case may be, shall have entered into arrangements with the Borrowers or such Lender, satisfactory to the Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that each of the Administrative Agent, the Borrowers, and the Issuing Bank agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment and on the date of such readjustment such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

SECTION 2.21. Returned Payments. If, after receipt of any payment which is applied to the payment of all or any part of the Obligations (including a payment effected through exercise of a right of setoff), the Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared

fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion), then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent or such Lender. The provisions of this Section 2.21 shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.21 shall survive the termination of this Agreement.

SECTION 2.22. Banking Services and Swap Agreements. Each Lender or Affiliate thereof providing Banking Services for, or having Swap Agreements with, any Loan Party or any Subsidiary or Affiliate of a Loan Party shall deliver to the Administrative Agent, promptly after entering into such Banking Services or Swap Agreements, written notice setting forth the aggregate amount of all Banking Services Obligations and Swap Agreement Obligations of such Loan Party or Subsidiary or Affiliate thereof to such Lender or Affiliate (whether matured or unmatured, absolute or contingent). In furtherance of that requirement, each such Lender or Affiliate thereof shall furnish the Administrative Agent, from time to time after a significant change therein or upon a request therefor, a summary of the amounts due or to become due in respect of such Banking Services Obligations and Swap Agreement Obligations. The most recent information provided to the Administrative Agent shall be used in determining which tier of the waterfall, contained in Section 2.18(b), such Banking Services Obligations and/or Swap Agreement Obligations will be placed. For the avoidance of doubt, so long as Chase or its Affiliate is the Administrative Agent, neither Chase nor any of its Affiliates providing Banking Services for, or having Swap Agreements with, any Loan Party or any Subsidiary or Affiliate of a Loan Party shall be required to provide any notice described in this Section 2.22 in respect of such Banking Services or Swap Agreements.

ARTICLE III

Representations and Warranties

Each Loan Party represents and warrants to the Lenders that (and where applicable, agrees):

SECTION 3.01. Organization; Powers. Each Loan Party and each Subsidiary is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Enforceability. The Transactions are within each Loan Party's corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational actions and, if required, actions by equity holders. Each Loan Document to which each Loan Party is a party has been duly executed and delivered by such Loan Party and constitutes a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except for filings necessary to perfect Liens created pursuant to the Loan Documents, (b) will not violate any Requirement of Law applicable to any Loan Party or any Subsidiary, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon any Loan Party or any Subsidiary or the assets of any Loan Party or any Subsidiary, or give rise to a right thereunder to require any payment to be made by any Loan Party or any Subsidiary, and (d) will not result in the creation or imposition of, or other requirement to create, any Lien on any asset of any Loan Party or any Subsidiary, except Liens created pursuant to the Loan Documents.

SECTION 3.04. Financial Condition; No Material Adverse Change.

(a) The Company has heretofore furnished to the Lenders the financial statements required pursuant to Section 4.01(b). Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Company and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP subject to normal year-end audit adjustments and the absence of footnotes in the case of interim finance statements.

(b) No event, change or condition has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect, since December 31, 2020.

SECTION 3.05. Properties, etc.

(a) As of the date of this Agreement, Schedule 3.05 sets forth the address of each parcel of real property that is owned or leased by any Loan Party. Each of such leases and subleases is valid and enforceable in accordance with its terms subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and is in full force and effect, and to each Loan Party's knowledge, no default by any other party to any such lease or sublease exists except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. Each of the Loan Parties and each Subsidiary has good and indefeasible title to, or valid leasehold interests in, all of its real and personal property, free of all Liens other than those permitted by Section 6.02 except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) Each Loan Party and each Subsidiary owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property necessary to its business as currently conducted, a correct and complete list of which, as of the date of this Agreement, is set forth on Schedule 3.05, except where the failure to so own or so license, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and the use thereof by each Loan Party and each Subsidiary does not infringe upon the rights of any other Person except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and each Loan Party's and each Subsidiary's rights thereto are not subject to any licensing agreement or similar arrangement.

SECTION 3.06. Litigation and Environmental Matters.

(a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of any Loan Party, threatened against or affecting any Loan Party or any Subsidiary (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (other than the Disclosed Matters set forth on Schedule 3.06) or (ii) that involve any Loan Document or the Transactions.

(b) Except for the Disclosed Matters, and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, (i) no Loan Party or any Subsidiary has received notice of any claim with respect to any Environmental Liability or knows of any basis for any Environmental Liability and (ii) no Loan Party or any Subsidiary (A) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law (B) has become subject to any Environmental Liability, (C) has received notice of any claim with respect to any Environmental Liability or (D) knows of any basis for any Environmental Liability.

(c) Since the date of this Agreement, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in, or materially increased the likelihood of, a Material Adverse Effect.

SECTION 3.07. Compliance with Laws and Agreements; No Default. Except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, each Loan Party and each Subsidiary is in compliance with (i) all Requirement of Law applicable to it or its property and (ii) all indentures, agreements and other instruments binding upon it or its property. No Default has occurred and is continuing.

SECTION 3.08. Investment Company Status. No Loan Party or any Subsidiary is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each Loan Party and each Subsidiary has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which such Loan Party or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10. ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan, such that any requisite funding of such Plan could reasonably be expected to result in a Material Adverse Effect, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Accounting Standards Codification 715) did not, as of the date of the most recent financial

statements reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans such that any requisite funding of all such Plans could reasonably be expected to result in a Material Adverse Effect.

SECTION 3.11. Disclosure. The Loan Parties have disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which any Loan Party or any Subsidiary is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. None of the reports, financial statements, certificates or other information (other than Projections, any other projected financial information, forward looking statements and statements of a general economic nature) furnished by or on behalf of any Loan Party or any Subsidiary to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document (as modified or supplemented by other information so furnished), taken as a whole, contains any material misstatement of fact or, when taken as a whole, omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to the Projections and other projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time delivered and, if such Projections or other projected financial information was delivered prior to the Effective Date, as of the Effective Date, it being understood and agreed that such Projections and other projected financial information are subject to uncertainties and contingencies, many of which are beyond the control of the Loan Parties, and as such, such Projections and other projected financial information is not a guarantee of financial performance and such differences may be material.

(b) As of the Effective Date, to the best knowledge of each Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Effective Date to any Lender in connection with this Agreement is true and correct in all respects.

SECTION 3.12. Reserved.

SECTION 3.13. Solvency. Immediately after the consummation of the Transactions to occur on the Effective Date, (i) the fair value of the assets of the Loan Parties and their Subsidiaries, taken as a whole, at a fair valuation, will exceed its debts and liabilities, subordinated, contingent or otherwise; (ii) the present fair saleable value of the property of the Loan Parties and their Subsidiaries, taken as a whole, will be greater than the amount that will be required to pay the probable liability of its debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (iii) the Loan Parties and their Subsidiaries, taken as a whole, will be able to pay their debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (iv) the Loan Parties and their Subsidiaries, taken as a whole, will not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted after the Effective Date.

SECTION 3.14. Insurance. Schedule 3.14 sets forth a description of all insurance maintained by or on behalf of the Loan Parties and their Subsidiaries as of the Effective Date. As of the Effective Date, all premiums in respect of such insurance have been paid. The Loan Parties believe that the insurance maintained by or on behalf of the Loan Parties and their Subsidiaries is adequate and is customary for companies engaged in the same or similar businesses operating in the same or similar locations.

SECTION 3.15. Capitalization and Subsidiaries. As of the Effective Date, Schedule 3.15 sets forth (a) a correct and complete list of the name and relationship to the Company of each Subsidiary, (b) a

true and complete listing of each class of each of the Company's authorized Equity Interests, of which all of such issued Equity Interests are validly issued, outstanding, fully paid and non-assessable, and owned beneficially and of record by the Persons identified on Schedule 3.15 as of the Effective Date, and (c) the type of entity of the Company and each Subsidiary. All of the issued and outstanding Equity Interests owned by any Loan Party have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

SECTION 3.16. Security Interest in Collateral. The provisions of this Agreement and the other Loan Documents create legal and valid Liens on all the Collateral in favor of the Administrative Agent, for the benefit of the Secured Parties, and upon the filing of UCC financing statements, the recording of mortgages and the taking of actions or making of filings with the United States Patent and Trademark Office of the United States Copyright Office, as applicable, with respect to the Loan Parties' intellectual property, such Liens constitute perfected and continuing Liens on the Collateral, to the extent perfection can be obtained by the filing of an initial UCC financing statement, the recording of a mortgage or a filing with the United States patent and Trademark Office or the United States Copyright Office, as applicable, securing the Secured Obligations, enforceable against the applicable Loan Party (subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless, of whether considered in a proceeding in equity or at law) and having priority over all other Liens on the Collateral except in the case of (a) Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law or agreement permitted hereunder, and (b) Liens perfected only by possession (including possession of any certificate of title), to the extent the Administrative Agent has not obtained or does not maintain possession of such Collateral.

SECTION 3.17. Employment Matters. As of the Effective Date, there are no strikes, lockouts or slowdowns against any Loan Party or any Subsidiary pending or, to the knowledge of any Loan Party, threatened in writing. The hours worked by and payments made to employees of the Loan Parties and their Subsidiaries have not been in violation in any material respect of the Fair Labor Standards Act or any other applicable federal, state, local or foreign law dealing with such matters. All payments due from any Loan Party or any Subsidiary, or for which any claim may be made against any Loan Party or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Loan Party or such Subsidiary, except as could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.18. Margin Regulations. No Loan Party is engaged and will not engage, principally or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of any Borrowing or Letter of Credit hereunder will be used to buy or carry any Margin Stock. Following the application of the proceeds of each Borrowing or drawing under each Letter of Credit, not more than 25% of the value of the assets (either of any Loan Party only or of the Loan Parties and their Subsidiaries on a consolidated basis) will be Margin Stock.

SECTION 3.19. Use of Proceeds. The proceeds of the Loans have been used and will be used, whether directly or indirectly as set forth in Section 5.08.

SECTION 3.20. No Burdensome Restrictions. No Loan Party is subject to any Burdensome Restrictions except Burdensome Restrictions permitted under Section 6.10.

SECTION 3.21. Anti-Corruption Laws and Sanctions. Each Loan Party has implemented and maintains in effect policies and procedures designed to ensure compliance by such Loan Party, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and such Loan Party, its Subsidiaries and their respective officers and directors and, to the knowledge of such Loan Party, its employees and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) any Loan Party, any Subsidiary, any of their respective directors or officers or employees, or (b) to the knowledge of any such Loan Party or Subsidiary, any agent of such Loan Party or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Borrowing or Letter of Credit, use of proceeds, Transaction or other transaction contemplated by this Agreement or the other Loan Documents will violate Anti-Corruption Laws or applicable Sanctions.

SECTION 3.22. EEA Financial Institutions. No Loan Party is an EEA Financial Institution.

SECTION 3.23. Plan Assets; Prohibited Transactions. None of the Loan Parties or any of their Subsidiaries is an entity deemed to hold "plan assets" (within the meaning of the Plan Asset Regulations), and neither the execution, delivery nor performance of the transactions contemplated under this Agreement, including the making of any Loan and the issuance of any Letter of Credit hereunder, will give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

SECTION 3.24. Common Enterprise. The successful operation and condition of each of the Loan Parties is dependent on the continued successful performance of the functions of the group of the Loan Parties as a whole and the successful operation of each of the Loan Parties is dependent on the successful performance and operation of each other Loan Party. Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (a) successful operations of each of the other Loan Parties and (b) the credit extended by the Lenders to the Borrowers hereunder, both in their separate capacities and as members of the group of companies. Each Loan Party has determined that execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, in furtherance of its direct and/or indirect business interests, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

SECTION 8.01 Authorization and Action.

(a) Each Lender, on behalf of itself and any of its Affiliates that are Secured Parties and the Issuing Bank hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent and collateral agent under the Loan Documents and each Lender and the Issuing Bank authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Lender and the Issuing Bank hereby grants to the Administrative Agent any required powers of attorney to execute and enforce any Collateral Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. Without limiting the foregoing, each Lender and the Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in

writing, such instructions shall be binding upon each Lender and the Issuing Bank; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower, any other Loan Party, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuing Bank, any other Secured Party or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby; and

(ii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(d) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-

agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) The Arranger shall not have any obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any reimbursement obligation in respect of any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Disbursements and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, the Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

(g) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto,

will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

SECTION 8.02. Administrative Agent's Reliance, Indemnification, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof stating that it is a "notice under Section 5.02" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower Representative, or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a "notice of Default" or a "notice of an Event of Default") is given to the Administrative Agent by the Borrowers, a Lender or an Issuing Bank, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent, or (vi) the creation, perfection or priority of Liens on the Collateral. Notwithstanding anything to the contrary in this Agreement, the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Competitors. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Competitor or (y)

have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Competitor. Each Lender represents and warrants to the parties hereto that at the time it becomes a Lender, it is not a Competitor.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrowers), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Posting of Communications.

(a) Each Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuing Banks by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic system chosen by the Administrative Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and each Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and each Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL ANY PARTY HERETO HAVE ANY LIABILITY TO ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, OTHER THAN FOR DIRECT OR ACTUAL DAMAGES TO THE EXTENT THEY ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NON-APPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH PARTY, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF SUCH PARTY’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM.

“Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through an Approved Electronic Platform.

(d) Each Lender and the Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or Issuing Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders, each of the Issuing Banks and each Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent’s generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.04 The Administrative Agent Individually. With respect to its Commitment, Loans and Letters of Credit, the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent

set forth herein for any other Lender or Issuing Bank, as the case may be. The terms “Issuing Banks”, “Lenders”, “Required Lenders” and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuing Bank or as one of the Required Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, any Loan Party, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders or the Issuing Banks.

SECTION 8.05 Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Lenders, the Issuing Banks and the Borrower Representative, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within thirty (30) days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower Representative (which approval may not be unreasonably withheld and shall not be required while an Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower Representative, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties, and continue to be entitled to the rights set forth in such Collateral Document and Loan Document, and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this Section (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (ii) the

Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender and the Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article, Section 2.17(d) and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (a) above.

SECTION 8.06. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing), (iii) it has, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrowers and their Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date or the effective date of any such Assignment and Assumption or any other Loan Document pursuant to which it shall have become a Lender hereunder.

(c) Each Lender hereby agrees that (i) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (ii) the Administrative Agent (A) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (B) shall not be liable for any information contained in any Report; (iii) the Reports are not comprehensive audits or examinations, and that any Person performing any field examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (iv) it will keep all Reports confidential and strictly for its internal use, not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (v) without limiting the generality of any other indemnification provision contained in this Agreement, (A) it will hold the Administrative Agent and any such other Person preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any extension of credit that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (B) it will pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorneys' fees) incurred by the Administrative Agent or any such other Person as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(d) Payments Transmitted in Error.

(i) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 8.06(d) shall be conclusive, absent manifest error.

(ii) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative

Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) Each Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Loan Party.

(iv) Each party’s obligations under this Section 8.06(d) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.07. Collateral Matters.

(a) Except with respect to the exercise of setoff rights in accordance with Section 9.08 or with respect to a Secured Party’s right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In its capacity, the Administrative Agent is a “representative” of the Secured Parties within the meaning of the term “secured party” as defined in the UCC. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties.

(b) In furtherance of the foregoing and not in limitation thereof, no arrangements in respect of Banking Services the obligations under which constitute Secured Obligations and no Swap Agreement the obligations under which constitute Secured Obligations, will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Banking Services or Swap Agreement, as applicable,

shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties irrevocably authorize the Administrative Agent, at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(b). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders or any other Secured Party for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.08. Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of

Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

Each of the Administrative Agent and the Borrower Representative (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by using Electronic Systems or Approved Electronic Platforms, as applicable, pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. (c) Any party hereto may change its address, facsimile number or e-mail address for notices and other communications hereunder by notice to the other parties hereto.

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Bank and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Subject to Sections 2.09(f), 2.14(c) and 9.02(e), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that no such agreement shall (A) increase the Commitment of any Lender without the written consent of such Lender (including any such Lender that is a Defaulting Lender), (B) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender (including any such Lender that is a Defaulting Lender) directly affected thereby (except that any amendment or modification of the financial covenants in this Agreement (or defined terms used in the financial covenants in this Agreement) shall not constitute a reduction in the rate of interest or fees for purposes of this clause (B)), (C) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any date for the payment of any interest, fees or other Obligations payable

hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender (including any such Lender that is a Defaulting Lender) directly affected thereby, (D) change Section 2.09(c) or Section 2.18(b) or (d) in a manner that would alter the ratable reduction of Commitments or the manner in which payments are shared, without the written consent of each Lender (other than any Defaulting Lender), (E) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (other than any Defaulting Lender) directly affected thereby, (F) change Section 2.20, without the consent of each Lender (other than any Defaulting Lender), (G) release any Loan Guarantor from its obligation under its Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender (other than any Defaulting Lender), or (H) except as provided in clause (c) of this Section or in any Collateral Document, release all or substantially all of the Collateral without the written consent of each Lender (other than any Defaulting Lender); provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Issuing Bank hereunder without the prior written consent of the Administrative Agent or the Issuing Bank, as the case may be (it being understood that any amendment to Section 2.20 shall require the consent of the Administrative Agent and the Issuing Bank); provided further that no such agreement shall amend or modify the provisions of Section 2.07 or any letter of credit application and any bilateral agreement between the Borrower Representative and the Issuing Bank regarding the Issuing Bank's Issuing Bank Sublimit or the respective rights and obligations between the Borrower and the Issuing Bank in connection with the issuance of Letters of Credit without the prior written consent of the Administrative Agent and the Issuing Bank, respectively. The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.04. Any amendment, waiver or other modification of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class), may be effected by an agreement or agreements in writing entered into by the Borrowers and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time.

(c) The Lenders and the Issuing Bank hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the Payment in Full of all Secured Obligations, and the cash collateralization of all Unliquidated Obligations in a manner satisfactory to each affected Lender, (ii) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interests of a Subsidiary, the Administrative Agent is authorized to release any Loan Guaranty provided by such Subsidiary, (iii) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction permitted under this Agreement, or (iv) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII. Except as provided in the preceding sentence, the Administrative Agent will not release any Liens on Collateral without the

prior written authorization of the Required Lenders; provided that the Administrative Agent may, in its discretion, release its Liens on Collateral valued in the aggregate not in excess of \$5,000,000 during any calendar year without the prior written authorization of the Required Lenders (it being agreed that the Administrative Agent may rely conclusively on one or more certificates of the Borrower Representative as to the value of any Collateral to be so released, without further inquiry). Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery by the Administrative Agent of documents in connection with any such release shall be without recourse to or warranty by the Administrative Agent.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but has not been obtained being referred to herein as a “Non-Consenting Lender”), then the Borrowers may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrowers, the Administrative Agent and the Issuing Bank shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and (ii) the Borrowers shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender. Each party hereto agrees that (x) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower Representative, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (y) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

(e) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrower Representative only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency.

SECTION 9.03. Expenses; Limitation of Liability; Indemnity; Etc.

(a) Expenses. The Loan Parties, jointly and severally, shall pay all (i) reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable and documented fees, charges and disbursements of counsel for the Administrative Agent (limited to one primary counsel, one local counsel in each reasonably necessary jurisdiction, one specialty counsel in each reasonably necessary specialty area, and one or more additional counsel if one or more actual conflicts of interest arise), in connection with the syndication and distribution (including, without limitation, via the internet or through an Electronic System or Approved Electronic Platform) of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) reasonable and documented out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) documented out-of-pocket expenses incurred by the Administrative Agent, the Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit. Expenses being reimbursed by the Loan Parties under this Section include, without limiting the generality of the foregoing, fees, costs and expenses incurred in connection with:

- (i) appraisals and insurance reviews;
- (ii) field examinations and the preparation of Reports based on the fees charged by a third party retained by the Administrative Agent or the internally allocated fees for each Person employed by the Administrative Agent with respect to each field examination;
- (iii) background checks regarding senior management and/or key investors, as deemed necessary or appropriate in the sole discretion of the Administrative Agent;
- (iv) Taxes, fees and other charges for lien searches and filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (v) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (vi) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing fees, costs and expenses may be charged to the Borrowers as Revolving Loans or to another deposit account, all as described in Section 2.18(c).

(b) Limitation of Liability. To the extent permitted by applicable law (i) neither any Borrower nor any other Loan Party shall assert, and each Borrower and each Loan Party hereby waives, any claim against the Administrative Agent, any Arranger, any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a “Lender-Related Person”) for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section 9.03(b) shall relieve any Borrower or any other Loan Party of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) Indemnity. The Loan Parties, jointly and severally, shall indemnify the Administrative Agent, each Arranger, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all Liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by a Loan Party or a Subsidiary, or any Environmental Liability related in any way to a Loan Party or a Subsidiary, (iv) any action taken in connection with this Agreement, including, but not limited to, the payment of principal, interest and fees, or (v) any actual or prospective Proceeding relating to any of the foregoing, whether or not such Proceeding is brought by any Loan Party or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Indemnitee. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(d) Lender Reimbursement. Each Lender severally agrees to pay any amount required to be paid by any Loan Party under paragraphs (a), (b) or (c) of this Section 9.03 to the Administrative Agent and each Issuing Bank, and each Related Party of any of the foregoing Persons (each, an “Agent-Related Person”) (to the extent not reimbursed by the Loan Parties and without limiting the obligation of any Loan Party to do so), ratably according to their respective Applicable Percentage in effect on the date on which such payment is sought under this Section (or, if such payment is sought after the date upon which the Commitments shall have terminated

and the Loans shall have been paid in full, ratably in accordance with such Applicable Percentage immediately prior to such date), from and against any and all Liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent-Related Person in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent-Related Person under or in connection with any of the foregoing; provided that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such; provided, further, that no Lender shall be liable for the payment of any portion of such Liabilities, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted primarily from such Agent-Related Person's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the Payment in Full of the Secured Obligations.

- (e) Payments. All amounts due under this Section 9.03 shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative, provided that, the Borrower Representative shall be deemed to have consented to an assignment of all or a portion of the Revolving Loans and Commitments unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, and provided further that no consent of the Borrower Representative shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

- (B) the Administrative Agent; and
 - (C) the Issuing Bank.
- (ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender, or an Approved Fund, or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent, provided that no such consent of the Borrower Representative shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrowers, the other Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Parent, (c) holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof; provided that, with respect to clause (c), such holding company, investment vehicle or trust shall not constitute an Ineligible Institution if it (i) has not been established for the primary purpose of acquiring any Loans or Commitments, (ii) is managed by a professional advisor, who is not such natural person or a relative thereof, having significant experience in the business of making or purchasing commercial loans, and (iii) has assets greater than \$25,000,000 and a significant part of its activities consist of making or purchasing commercial loans and similar extensions of credit in the ordinary course of its business; provided that upon the occurrence and during the continuance of an Event of Default, any Person (other than a Lender) shall be an Ineligible Institution if after giving effect

to any proposed assignment to such Person, such Person would hold more than 25% of the then outstanding Aggregate Credit Exposure or Commitments, as the case may be, (d) a Loan Party or a Subsidiary or other Affiliate of a Loan Party or (e) so long as no Event of Default exists, any Competitor.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03) with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amounts (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. No assignment shall be effective unless recorded in the Register pursuant to this Section 9.04(b)(iv). The Register shall be available for inspection by the Borrowers, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), 2.18(d) or 9.03(d), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of, or notice to, the Borrowers, the Administrative Agent or the Issuing Bank, sell participations to one or more banks or other entities (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person, or a Borrower or any Borrowers' Affiliates or Subsidiaries) (a "Participant") other than an Ineligible Institution in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (iii) the Borrowers, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and/or obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.03(c) with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17 (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender and the information and documentation required under Section 2.17(g) will be delivered to the Borrower Representative and the Administrative Agent)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17 with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or, if different, under Sections 871(h) or 881(c) of the Code. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement, notwithstanding

any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to (i) fees payable to the Administrative Agent and (ii) increases or reductions of the Issuing Bank Sublimit of the Issuing Bank constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this

Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of any Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, each Borrower and each Loan Party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrowers and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of any Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general

or special, time or demand, provisional or final) at any time held and other obligations at any time owing, by such Lender, such Issuing Bank or any such Affiliate to or for the credit or the account of any Loan Party against any and all of the Secured Obligations owing to such Lender or such Issuing Bank or their respective Affiliates, irrespective of whether or not such Lender, Issuing Bank or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Loan Parties may be contingent or unmatured or are owed to a branch office or Affiliate of such Lender or such Issuing Bank different from the branch office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.20 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The applicable Lender, the Issuing Bank or such Affiliate shall notify the Borrower Representative and the Administrative Agent of such setoff or application; provided that the failure to give such notice shall not affect the validity of such setoff or application under this Section. The rights of each Lender, the Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have.

Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(d) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(e) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(b) IN THE EVENT ANY LEGAL PROCEEDING IS FILED IN A COURT OF THE STATE OF CALIFORNIA (THE "COURT") BY OR AGAINST EITHER PARTY HERETO IN CONNECTION WITH ANY CONTROVERSY, DISPUTE OR CLAIM DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) (EACH, A "CLAIM") AND THE WAIVER SET FORTH IN THE PRECEDING PARAGRAPH IS NOT ENFORCEABLE IN SUCH ACTION OR PROCEEDING, EACH PARTY HERETO (BY ITS ACCEPTANCE HEREOF) AGREE AS FOLLOWS:

(iii) UPON THE WRITTEN REQUEST OF ANY PARTY HERETO, EACH PARTY HERETO SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES HERETO DO NOT AGREE UPON A REFEREE WITHIN TEN (10) DAYS OF SUCH WRITTEN REQUEST, THEN EACH PARTY HERETO MAY REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B), INCLUDING ANY REVISION OR REPLACEMENT OF SUCH STATUTE OR RULE HEREAFTER ENACTED.

(iv) ALL PROCEEDINGS AND HEARINGS CONDUCTED BEFORE THE REFEREE, EXCEPT FOR TRIAL, SHALL BE CONDUCTED WITHOUT A COURT REPORTER, EXCEPT WHEN EITHER PARTY HERETO SO REQUESTS, A COURT REPORTER WILL BE USED AND THE REFEREE WILL BE PROVIDED A COURTESY COPY OF THE TRANSCRIPT. EACH PARTY HERETO SHALL BE ENTITLED TO DISCOVERY, AND THE REFEREE SHALL OVERSEE DISCOVERY IN ACCORDANCE WITH THE RULES OF DISCOVERY, AND MAY ENFORCE ALL DISCOVERY ORDERS IN THE SAME MANNER AS ANY TRIAL COURT JUDGE IN PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA. THE REFEREE SHALL APPLY THE RULES OF EVIDENCE APPLICABLE TO PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA AND SHALL DETERMINE ALL ISSUES IN ACCORDANCE WITH APPLICABLE STATE AND FEDERAL LAW. THE REFEREE SHALL BE EMPOWERED TO ENTER EQUITABLE AS WELL AS LEGAL RELIEF AND RULE ON ANY MOTION WHICH WOULD BE AUTHORIZED IN A TRIAL, INCLUDING, WITHOUT LIMITATION, MOTIONS FOR DEFAULT JUDGMENT OR SUMMARY

(vi) EACH PARTY HERETO RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE DECIDED BY A REFEREE AND NOT BY A JURY.

For the purposes of this Section, "Information" means all information received from the Borrowers relating to the Borrowers or their business, other than any such information that is available to the Administrative Agent, the Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Borrowers and other than information pertaining to this Agreement provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Borrowers after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWERS, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF

ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13. Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U of the Federal Reserve Board) for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, neither the Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of any Requirement of Law.

SECTION 9.14. USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.17. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or

reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by such Lender.

In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrowers and other companies with which the Borrowers may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, each Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrowers may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from any Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrowers in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The foregoing authorization shall remain in effect unless the Borrower Representative notifies Chase in writing that such authorization is revoked.

 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.21. Acknowledgement Regarding Any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution

Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.22. Joint and Several. Each Borrower hereby unconditionally and irrevocably agrees it is jointly and severally liable to the Administrative Agent, the Issuing Banks and the Lenders for the Secured Obligations. In furtherance thereof, each Borrower agrees that wherever in this Agreement it is provided that a Borrower is liable for a payment, such obligation is the joint and several obligation of each Borrower. Each Borrower acknowledges and agrees that its joint and several liability under this Agreement and the Loan Documents is absolute and unconditional and shall not in any manner be affected or impaired by any acts or omissions whatsoever by the Administrative Agent, any Issuing Bank, any Lender or any other Person. Each Borrower's liability for the Secured Obligations shall not in any manner be impaired or affected by who receives or uses the proceeds of the credit extended hereunder or for what purposes such proceeds are used, and each Borrower waives notice of borrowing requests issued by, and loans or other extensions of credit made to, other Borrowers. Each Borrower hereby agrees not to exercise or enforce any right of exoneration, contribution, reimbursement, recourse or subrogation available to such Borrower against any party liable for payment under this Agreement and the Loan Documents unless and until the Administrative Agent, each Issuing Bank and each Lender has been paid in full and all of the Secured Obligations are satisfied and discharged following termination or expiration of all commitments of the Lenders to extend credit to the Borrowers. Each Borrower's joint and several liability hereunder with respect to the Secured Obligations shall, to the fullest extent permitted by applicable law, be the unconditional liability of such Borrower irrespective of (i) the validity, enforceability, avoidance or subordination of any of the Secured Obligations or of any other document evidencing all or any part of the Secured Obligations, (ii) the absence of any attempt to collect any of the Secured Obligations from any other Loan Party or any Collateral or other security therefor, or the absence of any other action to enforce the same, (iii) the amendment, modification, waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent or any Lender with respect to any provision of any instrument executed by any other Loan Party evidencing or securing the payment of any of the Secured Obligations, or any other agreement now or hereafter executed by any other Loan Party and delivered to the Administrative Agent, (iv) the failure by the Administrative Agent or any Lender to take any steps to perfect or maintain the perfected status of its Lien upon, or to preserve its rights to, any of the Collateral or other security for the payment or performance of any of the Secured Obligations or the Administrative Agent's release of any Collateral or of its Liens upon any Collateral, (v) the release or compromise, in whole or in part, of the liability of any other Loan Party for the payment of any of the Secured Obligations, (vi) any increase in the amount of the Secured Obligations beyond any limits imposed herein or in the amount of any interest, fees or other charges payable in connection therewith, in each case, if consented to by any other Borrower, or any decrease in the same, or (vii) any other circumstance that might constitute a legal or equitable discharge or defense of any Loan Party. After the occurrence and during the continuance of any Event of Default, the Administrative Agent may proceed directly and at once, without notice to any Borrower, against any or all of Loan Parties to collect and recover all or any part of the Secured Obligations, without first proceeding against any other Loan Party

or against any Collateral or other security for the payment or performance of any of the Secured Obligations, and each Borrower waives any provision that might otherwise require the Administrative Agent or the Lenders under applicable law to pursue or exhaust its remedies against any Collateral or other Loan Party before pursuing such Borrower or its property. Each Borrower consents and agrees that neither the Administrative Agent nor any Lender shall be under no obligation to marshal any assets in favor of any Loan Party or against or in payment of any or all of the Secured Obligations.

ARTICLE VIII.

Loan Guaranty

SECTION 10.01. Guaranty. Each Loan Guarantor (other than those that have delivered a separate Guaranty) hereby agrees that it is jointly and severally liable for, and, as a primary obligor and not merely as surety, absolutely, unconditionally and irrevocably guarantees to the Secured Parties, the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all costs and expenses, including, without limitation, all court costs and reasonable attorneys' and paralegals' fees (including allocated costs of in-house counsel and paralegals) and expenses paid or incurred by the Administrative Agent, the Issuing Bank and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, collectively the "Guaranteed Obligations"); provided, however, that the definition of "Guaranteed Obligations" shall not create any guarantee by any Loan Guarantor of (or grant of security interest by any Loan Guarantor to support, as applicable) any Excluded Swap Obligations of such Loan Guarantor for purposes of determining any obligations of any Loan Guarantor. Each Loan Guarantor further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Loan Guaranty apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender that extended any portion of the Guaranteed Obligations.

SECTION 10.02. Guaranty of Payment. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Guarantor waives any right to require the Administrative Agent, the Issuing Bank or any Lender to sue any Borrower or any Loan Guarantor, or any other guarantor of, or any other Person obligated for, all or any part of the Guaranteed Obligations (each, an "Obligated Party"), or otherwise to enforce its payment against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 10.03. No Discharge or Diminishment of Loan Guaranty. (a) Except as otherwise provided for herein, the obligations of each Loan Guarantor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the Payment in Full of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other Obligated Party liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party or their assets, or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other rights which any Loan Guarantor may have at any time against any Obligated Party, the Administrative Agent, the Issuing Bank, any Lender or any other Person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Loan Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, the Issuing Bank or any Lender to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other Obligated Party liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, the Issuing Bank or any Lender with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Guarantor or that would otherwise operate as a discharge of any Loan Guarantor as a matter of law or equity (other than the Payment in Full of the Guaranteed Obligations).

SECTION 10.04. Defenses Waived. To the fullest extent permitted by applicable law, each Loan Guarantor hereby waives any defense based on or arising out of any defense of any Borrower or any Loan Guarantor or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower, any Loan Guarantor or any other Obligated Party, other than the Payment in Full of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Loan Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party or any other Person. Each Loan Guarantor confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Loan Guarantor under this Loan Guaranty, except to the extent the Guaranteed Obligations have been Paid in Full. To the fullest extent permitted by applicable law, each Loan Guarantor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Guarantor against any Obligated Party or any security.

SECTION 10.05. Rights of Subrogation. No Loan Guarantor will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party or any collateral, until the Loan Parties and the Loan Guarantors have fully performed all their obligations to the Administrative Agent, the Issuing Bank and the Lenders.

SECTION 10.06. Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations (including a payment effected through exercise of a right of setoff)

is rescinded, or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise (including pursuant to any settlement entered into by a Secured Party in its discretion), each Loan Guarantor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the Issuing Bank and the Lenders are in possession of this Loan Guaranty. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Loan Guarantors forthwith on demand by the Administrative Agent.

SECTION 10.07. Information. Each Loan Guarantor assumes all responsibility for being and keeping itself informed of the Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Guarantor assumes and incurs under this Loan Guaranty, and agrees that none of the Administrative Agent, the Issuing Bank or any Lender shall have any duty to advise any Loan Guarantor of information known to it regarding those circumstances or risks.

SECTION 10.08. Termination. Each of the Lenders and the Issuing Bank may continue to make loans or extend credit to the Borrowers based on this Loan Guaranty until five (5) days after it receives written notice of termination from any Loan Guarantor. Notwithstanding receipt of any such notice, each Loan Guarantor will continue to be liable to the Lenders for any Guaranteed Obligations created, assumed or committed to prior to the fifth day after receipt of the notice, and all subsequent renewals, extensions, modifications and amendments with respect to, or substitutions for, all or any part of such Guaranteed Obligations. Nothing in this Section 10.08 shall be deemed to constitute a waiver of, or eliminate, limit, reduce or otherwise impair any rights or remedies the Administrative Agent or any Lender may have in respect of, any Default or Event of Default that shall exist under Article VII hereof as a result of any such notice of termination.

SECTION 10.09. [Reserved].

SECTION 10.10. Maximum Liability. Notwithstanding any other provision of this Loan Guaranty, the amount guaranteed by each Loan Guarantor hereunder shall be limited to the extent, if any, required so that its obligations hereunder shall not be subject to avoidance under Section 548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transactions Act or similar statute or common law. In determining the limitations, if any, on the amount of any Loan Guarantor's obligations hereunder pursuant to the preceding sentence, it is the intention of the parties hereto that any rights of subrogation, indemnification or contribution which such Loan Guarantor may have under this Loan Guaranty, any other agreement or applicable law shall be taken into account.

SECTION 10.11. Contribution.

(a) To the extent that any Loan Guarantor shall make a payment under this Loan Guaranty (a "Guarantor Payment") which, taking into account all other Guarantor Payments then previously or concurrently made by any other Loan Guarantor, exceeds the amount which otherwise would have been paid by or attributable to such Loan Guarantor if each Loan Guarantor had paid the aggregate Guaranteed Obligations satisfied by such Guarantor Payment in the same proportion as such Loan Guarantor's "Allocable Amount" (as defined below) (as determined immediately prior to such Guarantor Payment) bore to the aggregate Allocable

Amounts of each of the Loan Guarantors as determined immediately prior to the making of such Guarantor Payment, then, following indefeasible payment in full in cash of the Guarantor Payment, the Payment in Full of the Guaranteed Obligations and the termination of this Agreement, such Loan Guarantor shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Guarantor for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(b) As of any date of determination, the “Allocable Amount” of any Loan Guarantor shall be equal to the excess of the fair saleable value of the property of such Loan Guarantor over the total liabilities of such Loan Guarantor (including the maximum amount reasonably expected to become due in respect of contingent liabilities, calculated, without duplication, assuming each other Loan Guarantor that is also liable for such contingent liability pays its ratable share thereof), giving effect to all payments made by other Loan Guarantors as of such date in a manner to maximize the amount of such contributions.

(c) This Section 10.11 is intended only to define the relative rights of the Loan Guarantors, and nothing set forth in this Section 10.11 is intended to or shall impair the obligations of the Loan Guarantors, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Loan Guaranty.

(d) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of the Loan Guarantor or Loan Guarantors to which such contribution and indemnification is owing.

(e) The rights of the indemnifying Loan Guarantors against other Loan Guarantors under this Section 10.11 shall be exercisable upon the Payment in Full of the Guaranteed Obligations and the termination of this Agreement.

SECTION 10.12. Liability Cumulative. The liability of each Loan Party as a Loan Guarantor under this Article X is in addition to and shall be cumulative with all liabilities of each Loan Party to the Administrative Agent, the Issuing Bank and the Lenders under this Agreement and the other Loan Documents to which such Loan Party is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

SECTION 10.13. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guarantee in respect of a Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.13 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.13 or otherwise under this Loan Guaranty voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each Qualified ECP Guarantor under this Section 10.13 shall remain in full force and effect until the termination of all Swap Obligations. Each Qualified ECP Guarantor intends that this Section 10.13 constitute, and this Section 10.13 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE IX

The Borrower Representative.

SECTION 11.01. Appointment; Nature of Relationship. The Company is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the “Borrower Representative”) hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this Article XI. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower(s), provided that, in the case of a Revolving Loan, such amount shall not exceed Availability. The Administrative Agent and the Lenders, and their respective officers, directors, agents or employees, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this Section 11.01.

SECTION 11.02. Powers. The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

SECTION 11.03. Employment of Agents. The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through authorized officers.

SECTION 11.04. Notices. Each Borrower shall immediately notify the Borrower Representative of the occurrence of any Default or Event of Default hereunder, refer to this Agreement, describe such Default or Event of Default, and state that such notice is a “notice of default”. In the event that the Borrower Representative receives such a notice, the Borrower Representative shall give prompt notice thereof to the Administrative Agent and the Lenders. Any notice provided to the Borrower Representative hereunder shall constitute notice to each Borrower on the date received by the Borrower Representative.

SECTION 11.05. Successor Borrower Representative. Upon the prior written consent of the Administrative Agent, the Borrower Representative may resign at any time, such resignation to be effective upon the appointment of a successor Borrower Representative. The Administrative Agent shall give prompt written notice of such resignation to the Lenders.

SECTION 11.06. Execution of Loan Documents. The Borrowers hereby empower and authorize the Borrower Representative, on behalf of the Borrowers, to execute and deliver to the Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including, without limitation, the Compliance Certificates. Each Borrower agrees that any action taken by the Borrower Representative or the Borrowers in accordance with the terms of this

Agreement or the other Loan Documents, and the exercise by the Borrower Representative of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.
